ACCREDITATION INFORMATION

Learning Objectives

Upon completion of this activity, the physician should be able to:

- Employ the most currently available information in interventional oncology topics to treat patients.
- Perform catheter-based procedures using the latest techniques and technology in liver-directed therapy.
- Incorporate decision-making skills and techniques in ablation involving tumors of the kidney, bone, liver, and lung.
- Differentiate the various guidance and navigation technologies available for interventional oncologic procedures.
- Apply the most appropriate imaging modalities during assessment, treatment, and follow-up of patients.
- Describe the science behind various modalities used in interventional oncology.
- Select from a variety of available microwave technologies and recognize the differences among them.
- Implement the imaging follow-up protocols for various types of cancer.

Target Audience

The Symposium on Clinical Interventional Oncology will be of value to interventional radiologists, surgeons, oncologists and other healthcare professionals involved in the treatment of cancer or looking to expand into this arena.

Accreditation

Complete Conference Management is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Complete Conference Management designates this live activity for a maximum of 14.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Credits

For the purpose of recertification, American Nurses Credentialing Center (ANCC) accepts *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

Physician assistants may receive a maximum of 14.5 hours of Category 1 credit for completing this program.

UEMS/EACCME CME Credit Recognition

The American Medical Association (AMA) has an agreement of mutual recognition of CME credit with the UEMS. Under the terms of this agreement the European Accreditation Council for Continuing Medical Education (EACCME), the accrediting arm of the UEMS, will convert CME credit for live activities certified by the AMA.

Disclaimer

Complete Conference Management makes every effort to develop CME activities that are scientifically based. This activity is designed for educational purposes. Participants have a responsibility to utilize this information to enhance their professional development in an effort to improve patient outcomes. Conclusions drawn by the participants should be derived from careful consideration of all available scientific information. The participant should use his/her clinical judgment, knowledge, experience, and diagnostic decision-making before applying any information, whether provided here or by others, for any professional use.

Disclosure Policy Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Complete Conference Management must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in a CCM-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

Disclosure of Unlabeled Use

Complete Conference Management requires that faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device not yet approved for use in the United States.

This educational activity provides training necessary for licensed attendees to maintain state licensing requirements. The tuition for this educational activity is subsidized in part by unrestricted educational grants, including for those attendees who have successfully completed the state licensing requirements for their respective fields.
