Kingston Plantation

A Hilton and Embassy Suites Resort

DukeMedicine

Sponsored by the Duke University School of Medicine

Myrtle Beach, South Carolina

The Grand Strand: The Myrtle Beach “Grand Strand” has been called the “Seaside Golf Capital of the World” with over 100 area golf courses.

Something for Everyone: The Myrtle Beach “Grand Strand” has activities for the entire family. Golf, fishing, scuba diving, parasailing, tennis, swimming, and biking are just some of the many activities available and within easy access during your visit. Whether relaxing at one of the areas premier spas, visiting local historical sites, shopping the outlets, or just soaking up the sun on our 60 miles of beautiful beaches, there is something for everyone at Myrtle Beach.

The Kingston Plantation

Featuring Embassy Suites: Wooded hills surround a twenty-acre freshwater lake and line the winding drive that leads to a half mile stretch of white sand beach. The twenty story, all-suite hotel provides a spectacular view of the ocean from each private balcony. Two and three bedroom luxury oceanfront condominiums or one, two and three bedroom villas set among the forest and lakes provide the ultimate in comfort and amenities during your stay.

Kingston Plantation features the Sport and Health Club which includes nine lighted tennis

courts, three racquetball and squash courts, indoor/outdoor pools, whirlpool, weight training equipment, free weights, an aerobics studio, tanning salon, cafe, and lounge. The hotel also has a full-time Golf Director affiliated with over 100 area courses.

So bring your swimsuit, sunglasses, racket, and clubs – the Kingston Plantation welcomes you to an unforgettable vacation!

Lecture Schedule & Faculty

MONDAY 21

- 7:30 a.m. Incidental Findings Related to IR Procedures
Charles Kim, M.D.
- 8:00 a.m. Traumatic Aortic Injury
Waleska Pabon-Ramos, M.D.
- 8:30 a.m. Imaging of the Pre- & Post-Intervention Liver: Findings and Pitfalls
David Sopko, M.D.
- 9:00 a.m. Pitfalls of Gynecologic Ultrasound
Barbara Hertzberg, M.D.
- 9:30 a.m. Q&A
- 9:40 a.m. Break
- 10:00 a.m. Cross Sectional Imaging of the Acute Abdomen
Bhavik Patel, M.D.
- 11:00 a.m. BiRads Calcifications
Sora Yoon, M.D.
- 11:30 a.m. Young Pregnant and Male
Karen Johnson, M.D.
- 12:00 noon Challenging Breast MRI Cases
Mary Scott Soo, M.D.
- 12:30 p.m. Q&A
- 12:45 p.m. Adjourn

TUESDAY 22

- 7:30 a.m. Diagnosing Hemangiomas and Vascular Malformations
Caroline Carrico, M.D.
- 8:00 a.m. Pediatric Fractures
Charles Maxfield, M.D.
- 8:30 a.m. Image Processing in Radiology
Daniel Barboriak, M.D.
- 9:00 a.m. What to do with Incidental Thyroid Nodules
Jenny Hoang, M.D.
- 9:30 a.m. Q&A
- 9:40 a.m. Break
- 10 a.m. Worst Headache of Life
Peter Kranz, M.D.
- 10:30 a.m. Temporal Bone
Chris Roth, M.D.
- 11:00 a.m. Inhalational Lung Disease
Danielle Seaman, M.D.
- 11:30 a.m. Before you Call it Normal: Pitfalls in Chest Radiography
Jared Christensen, M.D.
- 12:00 noon Cardiac PET
Olga James, M.D.
- 12:30 noon Q&A
- 12:45 p.m. Adjourn

WEDNESDAY 23

- 7:30 a.m. Optimizing Pediatric Body CT
Don Frush, M.D.
- 8:00 a.m. The Heart in The ER: The Nuclear Role
Sal Borges-Neto, M.D.
- 8:30 a.m. Stroke Imaging Update for 2014
David Enterline, M.D.
- 9:00 a.m. Pneumonia Imaging
Lacey Washington, M.D.
- 9:30 a.m. Q&A
- 9:40 a.m. Break
- 10:00 a.m. Small Bowel Obstruction: When to Worry?
Erik Paulson, M.D.
- 10:30 a.m. GYN Interventions
Paul Suhocki, M.D.
- 11:00 a.m. IR Clinic: What is the Real Value?
Mike Miller, M.D.
- 11:30 a.m. Interventional Radiology Case Conference
Tony Smith, M.D.
- 12:00 noon Achilles and Imaging of the Ankle
Thomas Hash, M.D.
- 12:30 noon Q&A
- 12:45 p.m. Adjourn

THURSDAY 24

- 7:30 a.m. Adrenal Imaging
Lisa Ho, M.D.
- 8:00 a.m. Breast Imaging Case Conference
Sujata Ghate, M.D.
- 8:30 a.m. Algorithm for Managing Incidental Liver Lesion
Rendon Nelson, M.D.
- 9:00 a.m. Radionuclide Therapy with Radium 223
Bennett Chin, M.D.
- 9:30 a.m. Q&A
- 9:40 a.m. Break
- 10:00 a.m. Abdominal Trauma
Rajan Gupta, M.D.
- 10:30 a.m. MRI BIRADS
Ruth Walsh, M.D.
- 11:00 a.m. High Risk Breast Cancer Screening
Connie Kim, M.D.
- 11:30 a.m. PE: Overdiagnosis in the MDCT Era?
H. Page McAdams, M.D.
- 12:00 noon Large and Small Airway Disease: The Nuts and Bolts
Justus Roos, M.D.
- 12:30 noon Q&A
- 12:45 p.m. Adjourn

FRIDAY 25

- 7:30 a.m. PE Update
Brandon Howard, M.D., Ph.D.
- 8:00 a.m. Extradural Spine Disease
Chris Lascola, M.D., Ph.D.
- 8:30 a.m. CNS Infections
James Provenzale, M.D.
- 9:00 a.m. Imaging and Treatment of Intracranial Hypotension with Fibrin Glue
Linda Gray, M.D.
- 9:30 a.m. Q&A
- 9:40 a.m. Break
- 10 a.m. MSK Soft Tissue Masses
Charles Spritzer, M.D.
- 10:30 a.m. MRI of the Elbow
Emily Vinson, M.D.
- 11:00 a.m. Scintigraphy Hepatobiliary Imaging
Michael Hanson, M.D.
- 11:30 a.m. Q&A
- 11:45 p.m. Adjourn

Course Directors:

Karen S. Johnson, M.D.

Michael J. Miller, M.D.

Department of Radiology

Duke University Medical Center

Course Description

This postgraduate meeting will be presented by the faculty of the Department of Radiology, Duke University Medical Center and is designed for radiologists whether in training or practice.

This course replicates many of the lectures from the renowned Duke Radiology Review Course, which is easily one of the largest and most popular radiology review courses in the world.

This course is intended for the private practice radiologist who would like a general radiology overview and the radiology resident who would like an opportunity to hear about general radiology topics.

The aim of this course is to offer an across-the-board-overview of material which has everyday application. We invite you to join the faculty of the Duke University Radiology Department for a week of learning and relaxation.

Learning Objectives

Following participation in this activity, participants should be able to:

- Identify and discuss the latest modalities and techniques being used in the field of Diagnostic Radiology.
- Discuss differential diagnoses of common disease processes as they are seen on radiologic images.
- Demonstrate compliance with various governing agencies to sustain accreditation, licensing and board certification requirements.

General Information

Lectures will be held Monday–Friday from 7:30 a.m. to 12:30 at the Resort Hotel at Kingston Plantation on Lake Drive in Myrtle Beach, South Carolina. Onsite registration and check-in will begin at 7:00 a.m. on Monday, July 21, 2014.

Registration Fees

\$895 for Radiologists/\$795 for Duke Radiology Alumni/\$695 for Intraining/Military/Retired on or before July 1, 2014. After July 1 the fees become \$975/\$875/\$775 respectively. A \$100 cancellation fee will be charged. Online registration is available at www.radiology.duke.edu

In an effort to be more environmentally conscious, we will distribute syllabus electronically. You are encouraged to bring your laptop or electronic device to follow along. A printed syllabus **will only be provided upon request at a cost of \$25**. Please mark the appropriate box on the registration form.

Special Needs Statement

Americans with Disabilities Act (ADA)

The Duke Department of Radiology is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

Accreditation

The Duke University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The Duke University School of Medicine designates this educational activity for a maximum of 23 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosure

Disclosure

The Duke University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

Resolution of Conflicts of Interest

In accordance with the ACCME Standards for Commercial Support of CME, the Duke University School of Medicine will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

To Kingston Plantation

By Car: The major highways feeding Myrtle Beach are US Highways 501 and 17 and SC Highway 9. From major cities across the country, convenient interstate connectors like I-95 make it easy to reach Myrtle Beach.

By Air: Myrtle Beach Jetport is served by American, USAir, and ASA Delta Express with excellent connections from such cities as Charlotte, Raleigh, Atlanta, New York, and Chicago. Business, charter or private planes use Grand Strand Airport in North Myrtle Beach.

Rental cars and limousines are available at both airports. Airport transportation can also be provided by the hotel with prior notice of arrival times.

Hotel Reservations

Reservations should be made directly with the Resort at:
Embassy Suites at Kingston Plantation
9800 Queensway Blvd.
Myrtle Beach, Sc 29572
By Calling 843.449.0006

Room rates available until June 27, 2013 or until room block is filled. After that date, rates will be dependent upon availability.
