examination, please contact the American
Board of Family Medicine in Lexington, KY
www.theabfm.org

This CME activity is self-supporting and receives no funding from industry.

Family Medicine Board Review: Improving Clinical Care Across the Lifespan

Grand Hyatt Hotel
San Francisco, California

March 10-13, 2014

OVERVIEW

Presented by the University of California, San Francisco, School of Medicine. The Family Medicine Board Review Course provides a review of common problems encountered in Primary Care. The format is designed to help prepare eligible candidates for the American Board of Family Medicine examination and to assist practitioners with strategies to improve their patient care. Presentations will cover a broad range of important clinical information in a board review format. A syllabus with outlines of all lectures as well as extensive questions and answers will be provided to attendees.

TARGET AUDIENCE

Clinicians interested in expanding their knowledge and improving their practice in primary care including family physicians, internists, pediatricians, OB/GYNs, nurses, nurse practitioners and physician assistants.

QUESTIONS AND ANSWERS WORKSHOPS will be conducted to review typical board exam questions. The workshops will be offered in Medicine, Pediatrics and Obstetrics/Gynecology.

EDUCATIONAL OBJECTIVES

Upon completion of this course, participants should be able to:

- Incorporate nationally recommended screening strategies for adults for health care maintenance;
- Implement appropriate health care maintenance for adult patients in the ambulatory setting;
- Implement appropriate screening and diagnosis of diabetes consistent with national guidelines;
- Employ effective strategies in management of type 2 diabetes;
- Improve the approaches to diagnosis and classification of hypertension in adults;
- Adequately control chronic diseases states, such as hypertension and diabetes;
- Increase competence in the treatment of hypertension and effectively manage adult hypertensive patients;
- Recognize and properly manage common surgical problems;
- Refine the approach in the use of antibiotics to avoid selection for antibiotic resistance in adults and children;
- Implement comprehensive immunization programs for infants and children;
- Provide approved treatment regimens for sexually transmitted infections;
- Incorporate evidence-based guidelines for preventative medicine and standard of care to improve obstetric and office gynecologic outcomes.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **26.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses:

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Physician Assistants:

AAPA accepts category 1 credit from AOACME, Prescribed credit from AAFP, and *AMA PRA category 1 credit™* from organizations accredited by the ACCME.

Family Physicians:

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Geriatric Medicine:

The approved credits shown above include **2.00** credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Pain Management and care for the Terminally ill:

The approved credits shown above include **1.50** credits toward meeting the requirement under California Assembly Bill 487, Pain Management and Care for the Terminally Ill.
