Pediatric Potpourri®

Pediatric Potpourri®: State of the Art 2014 February 8-14, 2014

The American Academy of Pediatrics and California District IX, Chapter 2, AAP in association with Children's Hospital Los Angeles Medical Group, are pleased to sponsor **Pediatric Potpourri®: State of the Art 2014** on the island of Maui, Hawaii. This conference is intended to increase your knowledge and provide a comprehensive review of current issues and recent advances in selected pediatric subspecialty areas. Faculty members will discuss current clinical challenges via didactic presentations and roundtable discussions. Audience participation is encouraged throughout the course.

You should attend **Pediatric Potpourri®: State of the Art 2014** if you are a pediatrician, family physician or other health professional who cares for infants, children and adolescents and are interested in enhancing your understanding of and developing solutions for the clinical issues you encounter in your daily practice.

Course Objectives

At the conclusion of this activity participants will be able to identify, assess and manage common clinical issues in the areas of infectious diseases, neurology, sports medicine, general pediatrics & visual diagnosis and developmental & behavioral pediatrics including:

- Describe the changes in diagnostic criteria for autism spectrum disorder and the evidence-based treatments and resources for managing patients with these disorders.
- Educate athletes and families how to properly return to play after a concussion.
- Cite the epidemiology of common infections acquired during travel and the vaccines and pharmacologic prevention of infections.
- Distinguish seizures from other paroxysmal events and deliver initial treatment for the child with seizures.
- Discuss strategies to implement routine counseling of patients/caregivers to protect skin from sun exposure and to supplement with Vitamin D.

Note: A complete listing of course objectives and materials will be available at the Pediatric Potpourri®: State of the Art 2014 conference.

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Academy of Pediatrics (AAP) and the California Chapter 2 District IX of the American Academy of Pediatrics. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 22.50 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 22.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

This Live activity, Pediatric Potpourri®: State of the Art 2014, with a beginning date of February 8, 2014, has been reviewed and is acceptable for up to 22.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Members of the College of Family Physicians of Canada are eligible to receive up to 22.50 Mainpro-M1 credits for participation in this activity due to reciprocal agreement with the American Academy of Family Physicians.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME. Physician assistants may receive a maximum of 22.50 hours of Category 1 credit for completing this program.

This program is accredited for 22.50 NAPNAP CE contact hours of which 1.50 contain pharmacology (Rx) content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

The program provider, AAP California Chapter 2, has been approved by the California Board of Registered Nursing, Provider Number CEP 11121 for 4.5 contact hours per day.

Disclosure of Financial Relationships and Resolution of Conflict of Interest - The AAP Policy on Disclosure of Financial Relationships and The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

Hyatt Regency Maui Resort

Located on popular Kaanapali Beach, the Hyatt Regency is one of Maui's leading luxury resorts. The grounds are a paradise of ponds, lagoons and tropical gardens inhabited by exotic swans, flamingos, penguins and parrots. The free-form swimming pool, one of Maui's largest, is lined with rope bridges, waterfalls, grottoes and waterslides. Guest rooms are comfortably appointed, each with a private lanai. Features such as a multi-million dollar art collection and a unique variety of boutiques and restaurants lend to the ambiance. Activities available include tennis, golf at Kaanapali's two courses and a fitness center. Children will enjoy a variety of daytime activities offered at Camp Hyatt. The location is ideal to visit Whaler's Village, a popular Kaanapali attraction, and nearby Lahaina Town, with its myriad of shops, restaurants and boutiques.

Regency Club – Upgrade to the Hyatt's Regency Club at special group rates. Regency Club privileges include continental breakfast, daily and evening buffet services, beverages and more.

Rental Car Reservations

To make the most of your visit to Maui, we highly recommend a rental car.

Please visit our website www.PediatricsHawaii.com for online reservations and specially discounted rental rates with Hertz, Avis, and Alamo.

Typical weekly rates with unlimited mileage (excluding gas, taxes, and optional insurance):

- Sedans, from \$195 compact to \$227 full size
- SUV's from \$289
- Minivan, convertible, or Jeep \$363

If you prefer to call for rates/reservations, contact:

- Hertz: (800) 654-2240 and give discount code: CV #044F0007
- Avis: (800) 230-4898 and give discount code H055246
- Alamo: (877) 222-9075 and give contract ID #T00383E

Note: While most flights arrive at Maui's main airport (code OGG), some arrive at the west Maui airport (code JHM). Be sure to select your correct arrival/departure airport when making your rental car reservations.

Flights

The main airport in Maui is the Kahului Airport (also known as the Maui International Airport), code OGG. This airport is 28 miles from the Hyatt Regency Maui Resort in Ka'anapali, about 45 minutes by car.

The much smaller Kapalua Airport in west Maui, code JHM, is served by commuter flights to and from Honolulu (code HNL). This airport is 5 miles from the Hyatt Regency Maui Resort, about 10 minutes by car.
