CME OFFICE OF
CONTINUING
MEDICAL
EDUCATION

DAVID GEFKEN SCHOOL OF MEDICINE at **UCLA**

41st Annual UCLA Family Medicine Refresher Course

Monday, May 19 – Friday, May 23, 2014

The goal of this refresher course is to provide family physicians and other primary care providers with state-of-the-art educational experiences and accepted approaches to clinical problem-solving in both office and hospital settings.

AT THE CONCLUSION OF THIS COURSE, PARTICIPANTS SHOULD BE ABLE TO:

- Apply current diagnosis and management principles pertaining to common problems seen in a family medicine setting, including hypertension, diabetes, depression, childhood immunizations, obesity, COPD, coronary heart disease, child abuse, cancer screening, and menopause
- Recognize the impact of, and integrate advances in, specialty areas as they relate to the practice of family medicine
- Formulate management plans for disorders frequently seen in family practice, based on the latest accepted methodologies

COURSE INCLUDES

- The latest clinical developments of interest to family physicians
- Practical skills workshops
- Mini-courses providing in-depth review of selected relevant topics
- Expanded syllabus for quick reference in your clinical practice
- Speakers with proven ability to present relevant content useful in the family medicine context

ACCREDITATION

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of **36.5 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the AMA for Category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

AAFP ACCREDITATION

Application for CME credit has been filed with the American Academy of Family Physicians. *Determination of credit is pending.*

DISCLOSURE STATEMENT

The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is truly independent and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program's participants. In addition, Accreditation Council for Continuing Medical Education policy now mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. We, at UCLA, fully endorse the letter and spirit of these concepts.
