

COURSE DIRECTOR: Eric D. Katz, MD, FAAEM, FACEP
Vice-Chairman, Maricopa Medical Center, Vice-Chair and Associate Professor
Department of Emergency Medicine, University of Arizona, Phoenix Arizona

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and
Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of additional related disciplines which both impact and are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:
Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions
Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties
Outline comprehensive patient management plans for the special patient population discussed
Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides
Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION:
The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

Approved by the American College of Emergency Physicians for a maximum of 20.00 hour(s) of ACEP Category I credit.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

PA: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category 1 credit for completing this program.

CRNA: This program has not been prior approved by AANA. Please check our website

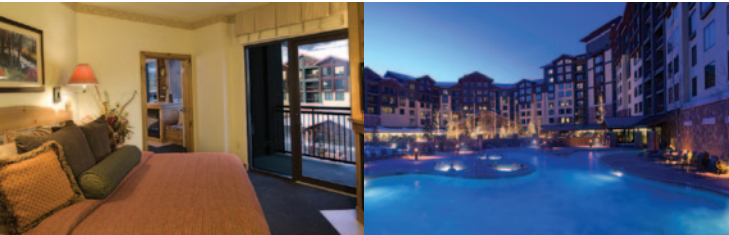

RN: NWS is approved by the California Board of Nursing, Provider Number 04833 and Florida and Washington, DC Boards of Nursing, Provider Number 50-7480. This program offers 20 contact hours. Meets the requirements of the Pennsylvania Board of Nursing, Rules and Regulations §21.133.

PARK CITY, UTAH

Park City is a unique combination of easy access and remote appeal. At times you feel like you could be hundreds of miles from the civilized world, yet you're not even an hour away from the Salt Lake airport. Park City's turn-of-the-century character, as established by silver miners of old, is alive and well. A simple stroll down historic Main Street is all it takes to bring back the romance of the Old West. When it comes to cruising groomed trails, carving up a half-pipe or cutting new powder, perfection is what everyone's after. Park City has three fantastic resorts: Park City Resort, Deer Valley, and The Canyons. Combined, these offer over 7,800 rideable acres and "The Greatest Snow On Earth." Visit the Olympic Utah Park, experience the incredible speed and G-forces of bobsled or individual rocket sled rides on the Park's 1,335 meter bob/luge track. You will also find opportunities to cross-country ski, hike, fish, boat, and enjoy wildlife. Park City seems to overflow with electric shops, restaurants, art galleries, music, dance, theater, and just about every other pursuit that you might find enjoyable.

CANYONS GRAND SUMMIT HOTEL

The Canyons Grand Summit Hotel is a combination of beautiful design, exceptional ski-in/ski-out location, and livable luxury. Relax in the outdoor heated pool or indulge yourself with a luxurious spa treatment from The Canyons Grand Summit Spa and Health Club. Guest rooms feature coffee maker, hair dryer, iron/board, down comforters, alarm clock, and CD player/stereo. Resort fee inclusions: Newspaper (Mon-Fri), basic wireless internet access, resort shuttle service within the Canyons Resort Village, use of Resort/Lodge fitness centers, access to the Canyons Resort Grand Summit Spa wet areas (steam and sauna, treatments extra), pool access at reserved lodges, seasonal activities, boarding pass/printer check-in station use. Overnight parking is discounted to \$10 per night for those who book their room through NWS/NWWT only.

SCHEDULE AND FACULTY CHANGES

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWS and NW-WWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. We highly recommend purchase of travel insurance. Travel at your own risk.

COURSE CANCELLATION FEE

\$100 Dec. 9 to Jan. 9. No refund after Jan. 9; however, 50% of tuition paid may be applied toward tuition for another NWS program within the next 12 months. Cancellation must be made in writing.

FAP (Frequent Attendee Points)

FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWS!

Airfare available through Universal Travel. Be sure to mention Northwest Seminars when booking. Contact Kellee Kilmer: Ph: (858) 456-7887 - Email: kellee@universaltravel1.com There is a booking fee for this service.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate.
