

Preliminary Program

Description: The Santa Fe Bone Symposium is an annual forum devoted to advances in the science and economics of osteoporosis, metabolic bone disease, and assessment of skeletal health. Presented by the Osteoporosis Foundation of New Mexico (OFNM), this meeting is for healthcare providers, scientists, and researchers with a special interest in bone disease, and for bone densitometry technologists who seek a high level of knowledge in their field. Close interaction and collaboration between faculty and participants is an integral part of the Santa Fe Bone Symposium.

FRIDAY, AUGUST 15, 2014

- | | |
|-------------------|--|
| 7:30 AM - 4:00 PM | Symposium Registration |
| 7:30 - 8:15 AM | Continental Breakfast |
| 7:30 AM - 3:30 PM | Exhibits Open |
| 8:15 - 8:30 AM | Welcome and Introduction - E. Michael Lewiecki, MD |
| 8:30 - 9:30 AM | Most important advances in skeletal health care from the past year – Paul D. Miller, MD
<i>This is a review of the most clinically relevant publications and presentations since the last Santa Fe Bone Symposium, covering everything that you should know but might have missed.</i> |
| 9:30 - 10:30 AM | Preventing fractures in patient with dysmobility and immobility – Neil Binkley, MD
<i>Update of evolving concepts of “sarcopenia” and “dysmobility syndrome,” with potential applications for the skeletal health care of patients who are frail or physically impaired.</i> |
| 10:30 - 11:00 AM | Morning Break |
| 11:00 - 12:00 PM | Oral presentations of scientific abstracts – Moderated by John P. Bilezikian, MD
<i>The best abstracts on bone disease by endocrinology fellows in training programs from throughout the US.</i> |
| 12:00 - 1:00 PM | Lunch
<i>Relax and enjoy the networking time to meet with old friends, make new friends, and chat with faculty.</i> |
| 1:00 - 2:00 PM | Strategies for plugging the black hole of osteoporosis care: fracture liaison services (FLS) for patients who have already fractured – Mary Oates, MD
<i>Most patients with fractures are not currently being treated to reduce future fractures. Learn from the experience of others how to develop</i> |

	<i>FLS for your institution or healthcare delivery system.</i>
2:00 - 2:30 PM	Afternoon Break
2:30 - 3:30 PM	Premenopausal osteoporosis: To treat or not to treat? – Elizabeth Shane, MD <i>New data on the pathophysiology of skeletal fragility in premenopausal women may lead to better choices of therapy to reduce fracture risk.</i>
4:00 PM	Conclusion of Saturday scientific sessions
8:00 PM	Santa Fe Opera (optional, tickets should be purchased far in advance) – <i>The Impresario</i> by Mozart and <i>Le Rossignol</i> by Stravinsky.

SATURDAY, AUGUST 16, 2014

7:00 AM	Santa Fe Green Chile Fun Run <i>Join your colleagues for a quiet early morning tour of Santa Fe while walking or jogging with others at your own pace. This is an experience not a competition.</i>
8:30 AM - 2:00 PM	Registration
8:30 AM - 1:30 PM	Exhibits Open
8:30 - 9:00 AM	Continental breakfast
9:00 - 10:00 AM	When bone density is not enough: Clinical implications of bone microarchitecture – John P. Bilezikian, MD <i>Bone density measurement by DXA does not fully explain fracture risk in some patients, such as those with hyperparathyroidism and type 2 diabetes mellitus. New technologies for assessing bone microarchitecture provide insights that may help in management of these patients. Special bonus: new guidelines for the care of asymptomatic primary hyperthyroidism</i>
10:00 -11:00 AM	DXA crash course for techs and clinicians – Diane Krueger, BS, CBDT <i>Everything you need to know about DXA but didn't know to ask. Whether you are a DXA tech or clinician, there is a lot to learn to make DXA a more useful clinical tool in managing osteoporosis patients.</i>
11:00 -11:30 AM	Morning Break
11:30 -12:30 PM	Meet the professor, Santa Fe style – All faculty <i>Attendees will have an opportunity to ask any question on any topic to one or more faculty members in small comfortable group settings.</i>

	<i>This is a fabulous opportunity to learn from the best through informal interactive discussions.</i>
12:30 – 1:30 PM	Lunch <i>More networking time with colleagues and faculty.</i>
1:30 – 2:30 PM	The ABCs of TBS (Trabecular Bone Score): from theory to clinical practice – Didier Hans, PhD <i>TBS is a method for assessing bone microarchitecture that is an independent predictor of fracture risk. Learn what it is and how it might be used in the management of patients with osteoporosis.</i>
2:30 - 3:30 PM	Hot topics in bone disease. Faculty panel – moderated by Robert Marcus, MD <i>Open discussion of late-breaking and controversial issues with faculty panel and participation of all attendees.</i>
3:30 PM	Conclusion of Santa Fe Bone Symposium
8:00 PM	Santa Fe Opera (optional, tickets should be purchased far in advance) - <i>Carmen</i> by Bizet.

General Information

Symposium Dates: Friday & Saturday, August 15 - August 16, 2014

Location: Eldorado Hotel

About the Hotel: Eldorado Hotel is located across the street from the Georgia O'Keefe Museum, just one block from Santa Fe Plaza. It is built in New Mexico's celebrated pueblo-revival style, with kiva fireplaces and handcrafted Southwestern furniture. There are many other options for lodging nearby as well.

About Santa Fe: Santa Fe, an old historic town in northern New Mexico, is the capitol of the state. It is home to one of the largest art markets in the world, and has numerous shops, museums, and historical sites. The weather is usually glorious and the scenery always magnificent. The surrounding area provides hiking trails, white-water rafting, ancient cliff dwellings, and pueblos.

Transportation to Santa Fe: The most convenient scheduling and best prices for air travel are usually from your city of departure to the Albuquerque International Airport (airport code ABQ). Santa Fe is located 60 miles northeast of Albuquerque on I-25, with the drive typically taking one hour or less. Commercial shuttles, which should be reserved in advance, provide transportation from the airport to the Eldorado Hotel and

back. Airport car rentals are available for those who wish to tour the surrounding area on their own. There is a small airport in Santa Fe (airport code SAF) for private aircraft and limited commercial service.

Climate: In August, Santa Fe temperatures range from an average daytime maximum of 82° F to a nighttime minimum of 55° F. Sunshine is 71%, with occasional evening showers. Dress is casual in the day with a sweater or light jacket needed in the evening.

Santa Fe Opera: This world-renowned outdoor event dominates the social calendar of many opera buffs. The opera house is an architectural marvel that is just a ten-minute drive from the Eldorado Hotel. Many symposium attendees attend the opera, but make your reservations early to assure a seat.

CME Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and policies of the New Mexico Medical Society (NMMS) through a joint sponsorship of the Greater Albuquerque Medical Association (GAMA) and the Osteoporosis Foundation of New Mexico. GAMA is accredited by the NMMS to provide Continuing Medical Education for physicians.

GAMA designates this educational activity for a maximum of 10 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CME for Family Physicians: An application is filed and determination of CME credit is pending for the American Academy of Family Physicians.

CE for Nurses: On the back of the CME certificate, write the reasons the meeting was important to you in your particular work setting. (source: New Mexico Nurses Association)

CE for Radiology Technologists: Category A CE credit is pending for the American Registry of Radiologic Technologists.

Social Activities & Receptions: Cultural tours of Santa Fe and vicinity are available. There are numerous shops, galleries, restaurants, and gardens nearby. Outdoor activities include hiking, biking, swimming, horseback riding, tennis, and rafting.

Registration: Due to limited seating capacity, registration in advance is advised. The symposium registration fee includes all educational presentations, electronic handouts, CME credit, continental breakfasts, coffee breaks, and lunches.

Symposium Faculty

Clinical Faculty

John P. Bilezikian, MD
 Professor of Medicine and Chief of Endocrinology
 Columbia University College of Physicians and Surgeons, NYC, NY

Neil Binkley, MD
 Professor of Medicine
 University of Wisconsin School of Medicine and Public Health, Madison, WI

Didier Hans, PhD
 Head of Research and Development
 Bone and Joint Department
 Center of Bone Disease, Lausanne University Hospital, Switzerland

Diane Krueger, BS, CBDT
 Osteoporosis Clinical Research Program Manager
 ISCD President
 University of Wisconsin School of Medicine and Public Health, Madison, WI

Paul D. Miller, MD (Professor-in-Residence)
 Distinguished Clinical Professor of Medicine, University of Colorado
 Health Sciences Center, Denver, CO
 Director, Colorado Center for Bone Research, Lakewood, CO

Mary Oates, MD
 Medical Director of Marin Osteoporosis Center
 Director, Medical Research Pacific Central Coast Health Centers
 Santa Maria, CA

Elizabeth Shane, MD
 Professor of Medicine
 Columbia University College of Physicians and Surgeons, NYC, NY

Symposium Director

E. Michael Lewiecki, MD
 Clinical Assistant Professor of Medicine, University of New Mexico School
 of Medicine
 Director, New Mexico Clinical Research & Osteoporosis Center,
 Albuquerque, NM

Program Committee

E. Michael Lewiecki, MD (chair)
 Michael S. Katz, MD
 Marjorie M. Luckey, MD
 Robert Marcus, MD
 Lance A. Rudolph, MD

Registration Form

Registration is online at www.ofnm.org

The symposium registration fee includes participation in all symposium CME events and CME certificate.

Medical students, medical residents, and fellows only: Registration charges will be waived through a scholarship provided by the OFNM. Log onto www.ofnm.org to print a complimentary registration form for submission by fax.

Santa Fe Bone Symposium

Advance registration (Before July 18, 2014)

Full Program	\$250
Friday only	\$175
Saturday only	\$150

Standard Registration (July 19, 2014 – August 12, 2014)

Full Program	\$275
Friday only	\$200
Saturday only	\$175

Onsite registration (August 15, 2014 – August 16, 2014)

Full Program	\$300
Friday only	\$220
Saturday only	\$200

For all healthcare professionals who do not hold a MD or PhD, we are extending a \$50.00 registration fee discount. Please use the discount code NONMD during checkout.

As part of our continuing efforts to focus on environmental responsibility, registration for the 2014 Santa Fe Bone Symposium is online at www.ofnm.org. If paying by check, check must be mailed following online registration. If registration online is not possible, please call 505.855.5627.

Cancellation/Refunds

Cancellations must be received by OFNM in writing or by e-mail to yb@pmplanners.net or fax 505.884.4006, attention Yvonne Brusuelas. Cancellations received 30 days or more before the symposium are subject to a

\$25 cancellation fee. Any cancellation received after the 30-day date is subject to a \$75 fee. No refund will be issued for cancellations received less than six (6) days before the symposium date. "No shows" will not receive a refund.
