

FAMILY MEDICINE SPRING FORUM 2014

April 4 - 6, 2014
RENAISSANCE VINOY
ST. PETERSBURG

Florida Academy of Family Physicians
&
Florida Academy of Family Physicians Foundation

EDUCATIONAL OBJECTIVES

This program is designed to allow health care professionals the opportunity to update their medical knowledge, enhance their clinical skills, and support their professional development through a dynamic curriculum. Attendees will realize important advances in the medical field and address educational needs and practice gaps. Through didactic lectures, case-study presentations, and audience interaction, this CME activity strives to develop and promote continuing medical education with the ultimate goal of enhancing patient care.

ACCREDITATION

The Florida Academy of Family Physicians is accredited by the Florida Medical Association to sponsor continuing medical education for physicians.

The Florida Academy of Family Physicians designates this live activity for a maximum of 20.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This Live activity, Family Medicine Spring Forum 2014, has been reviewed and is acceptable for up to 20.0 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All credits are deemed Florida Prescribed.

The FAFP has received **Accreditation with Commendation** status from the ACCME. Overall, approximately 21 percent of CME providers that have been evaluated under the new accreditation criteria have achieved this status, and only nine (including the FAFP) are in Florida. This reflects the hard work of our physician volunteers on the CME Committee.
