59TH ANNUAL

LeRoy C. Abbott Society Scientific Program

35TH ANNUAL

Verne T. Inman Lectureship

OVERVIEW

This program brings together members of the Abbott Orthopaedic Society and faculty and residents of the UCSF Department of Orthopaedics in a collaborative presentation of recent advances and updates in orthopaedic surgery. Our schedule of presentations will address current clinical and research topics that affect clinician decision-making in day-to-day practice.

COURSE HIGHLIGHTS

- Exciting educational program featuring concise “hot topic” presentations on issues critical to clinical practice
- Panel discussions on Foot and Ankle and Trauma Reconstructions featuring our visiting professors
- Educational poster sessions
- **Thursday May 8th • Happy Hour Social** following the days presentations for networking and poster viewing
- **Friday May 9th** Bones Ball Dinner and Reception at a signature San Francisco landmark – The Julia Morgan Ballroom
