COMPREHENSIVE

EndoFest is “everything endoscopy” providing a wide range of topics and sessions that are beneficial to all endoscopists. Whether you’re a gastroenterologist with decades of experience or a trainee just getting started in your medical career, you will benefit from the hands-on and didactic sessions covering topics which include: difficult polyps, EMR, ESD, ERCP, EUS, imaging, Barrett’s esophagus, hemostasis, adverse events and more.

clearly

INTENSIVE

EndoFest provides a weekend of endoscopy education packed with practical solutions to some of the most compelling cases and issues facing GI endoscopists. Sessions start Friday and continue until Sunday afternoon, to ensure you get the most educational value for your time.

clearly

INTERACTIVE

At EndoFest you will experience an entire weekend of close contact with world-renowned faculty. Roll up your sleeves and practice the latest techniques alongside the foremost experts in GI endoscopy, as well as take part in “Ask the Expert” sessions, video forums and interactive discussions featuring unknown video cases. Participants will also get the chance to interact with faculty and colleagues from around the world during more casual networking events.

COURSE DESCRIPTION

ASGE’s signature event is designed to provide a weekend of intensive, interactive education for endoscopy practitioners. This year’s focus will be on “Real Cases, Real Questions, Real Answers,” and is designed to use smaller group formats and case discussion to encourage meaningful dialogue on the actual questions facing endoscopists every day. Addressing “everything endoscopy,” EndoFest features two full days of didactic, scientific and hands-on sessions on colonoscopy, stents, clipping, suturing, EMR, ESD, EUS, ERCP, imaging, emergencies, adverse events and more.

EndoFest 2014 will include the following highlights:

- ▶ More customized “Ask the Expert” hands-on sessions allowing participants dedicated time on specific cutting-edge techniques with expert faculty members.
- ▶ Extended Video Forum featuring the latest ultimate endoscopy videos.
- ▶ Focus on real cases and practical information.
- ▶ A new Friday afternoon format of unopposed didactic sessions on hot topics for all EndoFest attendees.
- ▶ World-renowned faculty in a setting with a low faculty-to-participant ratio.
- ▶ Earn additional CME at the ASGE Learning Center, watching videos for free.
- ▶ Extensive exhibit area featuring the latest technologies and devices.

LEARNING OBJECTIVES

Upon completion of this educational activity, participants will be able to:

- ▶ Integrate the latest scientific advances and practice guidelines in specific clinical areas into their practice.
- ▶ Apply advanced endoscopic skills and techniques into their performance in endoscopy.
- ▶ Recognize the potential pitfalls related to specific advanced endoscopic skills and techniques.
- ▶ Evaluate the benefits, applications, and limitations of advanced endoscopic devices.

TARGET AUDIENCE

EndoFest is designed for all physicians and health care providers involved with practicing endoscopy including GI physicians, surgeons, nurses, trainees, technicians and other members of the health care team.

"I learned so much practical information that I can immediately include in my practice."

"Casual atmosphere and size of conference allows for great interaction between participants & faculty."

ASGE LEARNING CENTER

The ASGE Learning Center is a dynamic, interactive educational resource complimentary for EndoFest attendees, providing an opportunity to view endoscopic educational videos from ASGE's Endoscopic Learning Library in their entirety and earn CME for free.

ASGE will also be offering optional transportation to the Las Vegas strip on Saturday evening, just for EndoFest attendees.

FRIDAY, SEPTEMBER 19

For the first time, EndoFest is offering unopposed didactic sessions on Friday afternoon for all EndoFest attendees. Don't miss these sessions on some of the most pressing topics for all endoscopists today.

1:00 – 2:45 PM General Session

Real Cases: Difficult Polyps

This session will use video and images to discuss real cases in difficult polyps.

Moderator: *Christopher J. Gostout, MD, FASGE*

Real Cases, Part 1: Laterally spreading colon polyp

- | | |
|----------------|--|
| 1:10 - 1:15 PM | Case presentation |
| 1:15 - 1:27 PM | Piecemeal Polypectomy
<i>Douglas K. Rex, MD, FASGE</i> |
| 1:27 - 1:39 PM | Surgical Perspective
<i>Jeffrey K. Marks, MD, FASGE</i> |
| 1:39 - 1:45 PM | ESD Update
<i>Norio Fukami, MD, FASGE</i> |
| 1:45 - 2:00 PM | Q&A |

Real Cases, Part 2: Duodenal polyps

- | | |
|----------------|---|
| 2:00 - 2:15 PM | How and When to Resect (and when not to)
<i>Brenna M. Casey, MD, FASGE</i> |
| 2:15 - 2:25 PM | Management of Bleeding and Perforation
<i>Steven A. Edmundowicz, MD, FASGE</i> |
| 2:25 - 2:45 PM | Case Series: Do You Resect? |

3:15 – 4:15 PM General Session

Rapid Fire Journal Club

Moderator: *Sreenivasa S. Jonnalagadda, MD, FASGE*

High-impact articles published in the last two years will be presented in a concise and dynamic format that will be case-framed, summarize results, include limitations and close with take-home points. If you find yourself too busy to keep up with the latest literature, guidelines and treatment recommendations, this is your chance to catch up on what you may have missed. The following areas will be covered:

- | | |
|----------------|---|
| 3:15 - 3:30 PM | Pancreas/Biliary
<i>Vanessa M. Shami, MD, FASGE</i> |
| 3:30 - 3:45 PM | Esophagus

SUNDAY, SEPTEMBER 21

9:00 – 11:30 AM Scientific Breakout Session

EndoFest Video Forum

Moderators: Brenna Casey, MD, FASGE; Peter B. Kelsey, MD, FASGE, Jason Klapman, MD, FASGE

This forum has been extended in 2014 and will feature peer-reviewed videos demonstrating cutting edge techniques and technologies from all over the world. Authors will be invited to answer questions from the audience and panel of moderators.

Hands-on Sessions

ASGE offers two types of hands-on training at EndoFest:

Hands-on Workshops: Participants will rotate between several stations over the course of two hours, interacting with multiple faculty, technologies and techniques.

"Ask the Expert" Hands-on Sessions: Participants will spend one hour of dedicated time with a specific expert and technique. Stations will be limited to four participants per hour session.

SATURDAY, SEPTEMBER 20

9:30 – 11:30 AM Hands-on Workshop: Pancreaticobiliary and Enteral Stenting (\$)

Director: Christopher J. Gostout, MD, FASGE

This session will include stations with techniques and devices such as enteral stenting, pseudocyst drainage, ERCP, biliary stents, metal stents, plastic stents and plexus bloc.

12:30 – 1:30 PM "Ask the Expert" Hands-on Session 1 (\$)

These customized one-hour sessions will allow participants to have in-depth interaction with an expert faculty member at one station dedicated to a specific technique or technology. Each station will be limited to four participants per hour session.

CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Additional credit may be claimed separately for viewing DVDs through the ASGE Learning Center on-site.

GENERAL INFORMATION AND CONTINUING EDUCATION FOR NURSES

All nurse participants will receive a certificate of attendance specifying hours of education accredited for AMA PRA Category 1 Credit™. This certificate can be used toward nursing requirements.

REGISTRATION INFORMATION

All EndoFest registrants will have access to all general sessions, scientific sessions, exhibits, Learning Center, two receptions and Saturday lunch. The hands-on sessions have an additional fee. Participants may only register for hands-on sessions if registered for EndoFest.

- **Registration online:** *ASGE strongly recommends that you register online.* If you register online, your spot in each session will be automatically reserved. Register online at www.asge.org/endofest.

Other options for registration are listed below. Please note that space is limited in hands-on sessions and your registration in each session can only be confirmed upon receipt of your registration form and payment. You will be sent a confirmation once your registration has been received and processed.

- **Registration by mail:** Send your completed registration form and payment to:
ASGE

- **Registration by fax:** 630-963-8332
- **Registration by phone:** 630-573-0600

CANCELLATION AND CHANGE POLICY

ASGE plans its hands-on sessions and related supplies for EndoFest based on registration. For that reason, requests for refunds of any kind must be received in writing no later than Friday, August 22, 2014 to education@asge.org. Refunds requested before this date will be subject to an administrative fee of \$100. Refunds will not be issued after August 29, 2014. Attendee substitutions are permitted with ASGE authorization. ASGE has the right to cancel a program at any time at its discretion.

If you would like to add, subtract or change specific sessions in your EndoFest itinerary, please call Customer Care at 630-573-0600. Changes may be accommodated if space is available.

Photography Waiver: ASGE periodically takes photographs and/or video during our educational courses, and reproduces them in ASGE educational, news or promotional material, whether in print, electronic or other media, including the ASGE website. By participating in this course, you grant the right to use your name and photograph for such purposes to ASGE. All postings become property of ASGE.

SUPPORTERS

Educational programming through the ASGE Institute for Training and Technology is supported, in part, by the ASGE Foundation. To donate, visit www.asge.org.

The ASGE Education Achievement Program is designed to recognize and reward endoscopists who are dedicated to their own professional development and furthering their ability to provide the most effective patient care. Participants in this program receive discounts on ASGE courses, products, as well as a Certificate of Achievement in Endoscopy Education. For additional information on the criteria and application process, please visit the Education webpage at www.asge.org.
