Overview

This course will provide the practitioner with evidence-based information leading to an increase in educational awareness of the clinical advancements of wound identification and treatment.

Objectives

At the conclusion of this conference, participants will be able to:

- Describe various wound types and differentiate between pressure and non-pressure related wounds.
- Implement the latest technique, application and treatments related to wound and skin care.
- Identify dermatological skin disorders that may be encountered during skin inspection.
- Recognize the legal implications associated with wound and skin care.

Who Should Attend

This course is intended for all health professionals across the continuum of wound care.

Continuing Education Credit

This continuing nursing education activity has been approved for **5.5** contact hours by the UPMC Provider Unit of the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. To receive contact hours, the participant must sign in, attend the entire session and complete the course evaluation.

Meeting Location

The conference will be held at the **Herberman Conference Center**, located within the UPMC Shadyside Cancer Pavillion at 5230 Centre Avenue, Pittsburgh, PA 15232.

Parking

Parking will be discounted for attendees. Pay parking is available for visitors to Herberman Conference Center at two convenient locations. The Centre Avenue Parking Garage is the closest (located at corner of Centre Avenue and Cypress Street) and is open from 8 am to 9 pm. The Aiken Avenue Parking Garage (on South Aiken Avenue) is open 24 hours a day, seven days a week.
