in San Francisco, May 16, 2014.*

Vulvovaginal Disease Update 2014

May 2, 2014

Emory Conference Center Hotel

1615 Clifton Road

Atlanta, GA

Sponsored by:

The North American Chapter of the International Society
for the Study of Vulvovaginal Disease

Continuing Medical Education Credit

is provided through joint sponsorship with

The American College of Obstetricians and Gynecologists

*The absolute BEST one day Vulvar Disease course out there!
"Truly the most valuable conference I have ever attended!"*

Meeting information

Course Location

The Emory Conference Center Hotel is surrounded by a pristine oasis, but still close to the major business centers in Atlanta. It is located at 1615 Clifton Road, Atlanta, GA 30329. Transportation information is available on our website at Atlanta.ISSVD.org.

Accommodations

We have secured a room block at the Emory Conference Center Hotel with a special rate of \$159+ tax single/ double on a space available basis. Reserve your room early and until April 10, 2014, based on availability. You may book reservations by visiting our website at Atlanta.issvd.org and choosing the accommodations tab. Alternatively, you may contact the hotel directly to reserve your room by calling 800-933-6679 or 404-712-6055 and refer to Reservation ID #20006025223. Check in time is 4 p.m. and check out time is Noon.

Course Information

This course is the **premier educational program** for clinicians who treat patients with persistent or recurrent vulvar symptoms not explained by simple yeast or bacterial vaginosis. This course is for those providers who treat itching, dyspareunia, as well as vaginal discharge, chronic rashes, and recurrent candidiasis, lichen simplex chronicus, lichen planus, lichen sclerosus, vulvodynia, ulcers, and desquamative inflammatory vaginitis. This course is open to any provider with an interest in recent advances in research for vulvovaginal disease.

Learning Objectives

Upon completion of the course participants will:

- Increase their current knowledge of vulvovaginal conditions
- Recognize the normal and abnormal anatomy of the vulva and vagina
- Gain awareness of the pathophysiology and treatment of benign vulvar conditions
- Understand the multiple contributions of the wet mount and be able to associate various vaginal conditions with their wet mount appearances
- Recognize and treat resistant or recurrent vaginitis
- Understand what is known about desquamative inflammatory vaginitis and atrophic vaginitis
- Appreciate the morphological appearances of vulvar intraepithelial neoplasia
- Review the common and uncommon infections of the vulva and vagina
- Gain insight into dermatoses of the vulva
- Have knowledge of treatment for pruritic conditions of the vulva
- Become comfortable categorizing various vulvar ulcerative conditions
- Understand the diagnosis and treatment of vulvar pain
- Test their knowledge of various vulvovaginal diseases with lectures, cases and question and answer sessions

ACCME Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of The American College of Obstetricians and Gynecologists and the International Society for the Study of Vulvovaginal Disease (ISSVD). The American College of Obstetricians and Gynecologists is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Category 1 Credit(s)TM

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 8 *AMA PRA Category 1 CreditsTM*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

College Cognate Credit(s)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 8 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows *AMA PRA Category 1 CreditsTM* to be equivalent to College Cognate Credits.
