Advanced Concepts in Functional Endoscopic Sinus Surgery Course

Friday and Saturday May 16th & 17th 2014

The Department of Otolaryngology—
Head and Neck Surgery
The Roy J. and Lucille A. Carver College of Medicine
University of Iowa

Course Director

Scott M. Graham, MD

University of Iowa Faculty

Eugene Chang, MD
Jeremy Greenlee, MD
Deborah Kacmarynski, MD
Nicholas Potter, MD

Guest Faculty

Professor Dr. med Daniel Simmen, MD
Zurich, Switzerland

Nicholas Jones, MD
Nottingham, England

Sponsored by
The Department of Otolaryngology—Head and Neck Surgery
The Roy J. & Lucille A. Carver College of Medicine University of Iowa

Venue

Lectures will be held in the Otolaryngology Conference Room, 21271 PFP, located on the second floor of the Pomerantz Family Pavilion, University of Iowa Hospitals and Clinics, 200 Hawkins Drive, Iowa City, IA, 52242.

Laboratory Dissection will be held in the Gross Anatomy Laboratory (1-230 BSB), first floor of the Bowen Science Building.

Upon completion of the course, the participant will be able to describe and discuss the nuances of paranasal sinus anatomy and disease, especially the surgical anatomy of the paranasal sinuses, the intricacies of adult and pediatric rhinosinusitis, and surgical pointers for safe and effective endoscopic sinus surgery. A fresh cadaver lab provides hands-on experience using endoscopic instruments and powered instrumentation to perform functional endoscopic sinus surgery.

Travel Information

Air Travel

Iowa City is served by all major domestic airlines through the Eastern Iowa Airport (CID) near Cedar Rapids. The Airport telephone number is **319-362-8336**.
