

Insignia Global Users Meeting

June 6–7, 2014 New York, NY

The 2014 Insignia Global Users Meeting is dedicated to provide educational content to further the discussion and advancement of digital orthodontics. Embrace new forms of orthodontic digital technology and discover methods to better position your practice for the future.

This year's meeting will foster networking opportunities between those just getting started with Insignia and those who've seen the benefits work for their practices and patients. Share your experiences and learn how your peers are differentiating and realizing increased efficiency and success with digital technologies.

We're excited to be collaborating with an exceptional speaker line-up this year including:

Dr. Jeff Kozlowski

General Session Moderator

Dr. Sonia Palleck

Turning Virtual Teeth into a Reality

Drs. Steve Tracey & David Gilbert
