Welcome!!

Dear Team Member,

It is my great pleasure to welcome you to Dynamic Team Concepts at the Las Vegas Institute for Advanced Dental Studies. The LVI Team is devoted to making your visit with us a pleasant and enjoyable experience. Our goal is to provide you with a well-rounded variety of information that will support and facilitate a process in taking the practice to the next level.

We view our relationship with the team members with a deep sense of responsibility. A major part of that responsibility is to help our team members understand and plan for the future of the practice. In turn, we are asking you to accept the responsibility to relay the information and strategic plans you have heard and formulated back to your Doctors. Due to the fact that your Doctor will be involved in technical and clinical lectures, they are relying on you to develop a plan for support.
