

AUTUMN IN NEW ENGLAND: 14TH ANNUAL DARTMOUTH CONFERENCE ON LIVER, PANCREAS AND BILIARY DISEASES

Interventions in Pancreatic and Biliary Disease

Photo Source: Dartmouth

WELCOME

Please join us for our 14th Annual Dartmouth Conference on Liver, Pancreas and Biliary Diseases. The course will feature lectures on key areas for the diagnosis and management of complicated pancreatic and biliary disease. We will also feature live endoscopic cases from our endoscopy suite in the afternoon to complement the lectures given in the morning session.

We hope you will join us for what should be a lively, entertaining and informative conference on the DHMC campus during the peak of the beautiful autumn season in the Upper Valley.

COURSE OBJECTIVES

- Identify minimally invasive therapies to treat acute pancreatitis.
- Describe the TPIAT procedure and identify patients who would benefit.
- Discuss the criteria related to appropriate referral for multispecialty care.

ACCREDITATION

Physicians: The Dartmouth-Hitchcock Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Dartmouth-Hitchcock Medical Center designates this live activity for a maximum of *5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Dartmouth-Hitchcock Medical Center's Nursing Continuing Education Council is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity carries 5 contact hours.
