

Biology of Cancer: Targeted Treatments for Solid Tumours

Wednesday 10 - Thursday 11 December 2014

Education Centre, The Christie, Manchester, M20 4BX

Dr Elaine Vickers

Science Communicated

Course Description

This two day intermediate-level course gives research nurses and other trials staff the knowledge and confidence to discuss even the latest and most advanced targeted cancer treatments with their patients and colleagues. The course focuses on targeted treatments for solid tumours, but the information on day 1 is relevant to all cancer types.

Throughout the two days, delegates are given the opportunity to digest and practise their new knowledge through a variety practical exercises, question sheets and quizzes

Target Audience

This course is suitable for anyone with a reasonable grounding in biology or who has previously attended an 'Introduction to cancer' course. It presumes a level of familiarity with concepts such as DNA, genes, proteins and the cell cycle, but a refresher is provided. It is suitable for oncology nurses and anyone involved in the delivery of clinical trials

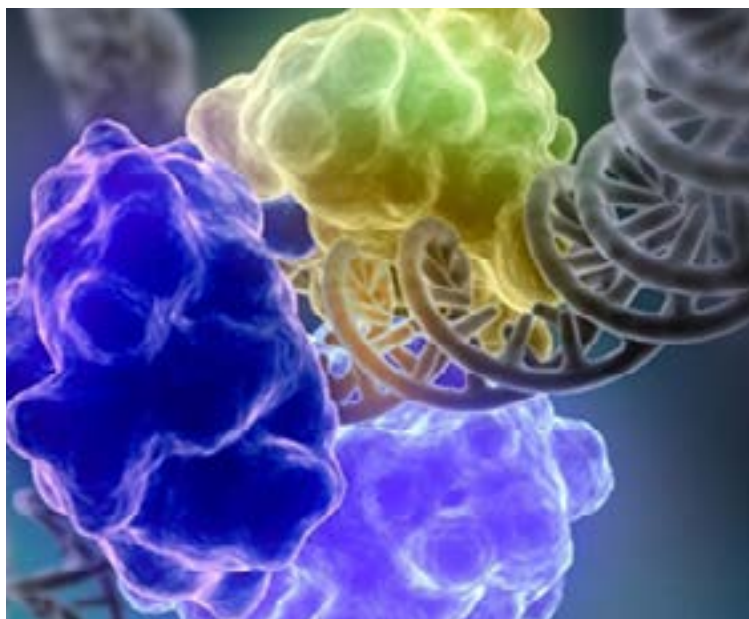

Topics Covered

Day 1

- Molecular basis of cancer
- The molecular processes that drive cancer growth, spread and metastasis
- Mechanisms of drug resistance
- The cellular makeup of cancer tissue & the role of the tumour microenvironment

Day 2

- The current state of play of targeted cancer treatments
- Newer approaches to targeted treatments
- The evolution of clinical trial design
- Targeting over-active growth pathways - monoclonal antibodies and kinase inhibitors

Delegate Fees: £200, Early Bird: £150 (before 10 October 14), Christie Staff/Cancer Network: £100

Getting to The Christie

Bus

Manchester Oxford Road - Take any 41 / 42 / 43 / 142 / 143 bus. The stop is just after Withington Village - if you don't know where to get off ask the bus driver. If you are dropped off on Palatine Road (41 / 43 / 143) enter the hospital at the Palatine Road entrance (see map on next page). If you are dropped off on Wilmslow Road (42 / 142) enter the hospital at the Wilmslow Road entrance

Tram

Tram – West Didsbury Stop – (0.5 miles from hospital) – 13 min walk

The West Didsbury stop on the East Didsbury Metrolink line is situated just a 10-15 minute (0.5 miles) walk away from the Christie. Directions for this walk can be accessed via google maps <http://goo.gl/maps/mUHXN>

Train

Train – Mauldeth Road (1.2 miles from hospital) – 4 mins in taxi / 20 min walk

There are no buses from this station so if you are in a hurry call the taxi number below. Walking directions: Exit right out of the station onto Mauldeth Road, take the first left onto Parsonage Road and walk until you get to Withington Village main road. Turn left, take and follow Wilmslow Road to the left. The Christie is on the right hand side. Go through the glass fronted entrance and walk along the corridor until you get to Department 17

Car

Car parks are visible on the map overleaf but there are very limited parking spaces around the site. You may need to allow yourself extra time to find an on-street parking space. Carpark C is the multi-story carpark

More details about car routes can be found here: www.christie.nhs.uk/the-foundation-trust/visiting-the-christie.aspx

Taxi Number

Kingsway: 0161 442 0642

Accommodation

Finding the Education Centre

Once inside the hospital, the Education Centre is relatively straightforward to find as it is in the centre of the main building and above the visitors canteen – The Wilmslow Dining Room. There are three main entrances for visitors – **Oak Road Reception**, **Palatine Road** and **Wilmslow Road (Outpatients)**

1. Entering at **Oak Road Reception** – follow signs to Wilmslow Dining Room or Education Centre down the glass corridor passing the Conservatory and Cancer Information Centre. Take a left at the end of the corridor and go past the Social Work department. The Centre is on the top floor above the Dining Room
2. Entering from **Palatine Road** entrance – follow signs to Wilmslow Dining Room or Education Centre past North West Medical Physics, Communications and the Haematology & Transplant Unit. The Centre is on the top floor above the Dining Room
3. Entering from **Wilmslow Road (Outpatients)** entrance – follow signs to Wilmslow Dining Room or Education Centre passing Outpatients, Radiotherapy, Pat Seed and Social Work. The Centre is on the top floor above the Dining Room

The Education Centre is situated in department 17 and is indicated on the below siteplan

Biology of Cancer and Targeted Treatments for Solid Tumours - 10-11 Dec 2014

How to Book

Post: Education Events, The Christie School of Oncology, Wilmslow Road, Withington, M20 4BX
Online: www.christie.nhs.uk/school-of-oncology **Fax:** 0161 918 7174

Your Details: Please write clearly to ensure all correspondence is correct

Title	Full Name
Job Title	
Employer	
Address	Manager Name
	Manager Email
