Hospital of the University of Pennsylvania**

Presents

HYPOTHERMIA AND RESUSCITATION TRAINING INSTITUTE AT PENN (HART)

A CME/CE-CERTIFIED COURSE

**Monday-Tuesday
October 20-21, 2014**

**Loews Philadelphia Hotel
1200 Market Street
Philadelphia, PA 19107**

COURSE CO-DIRECTORS

**Benjamin S. Abella, MD, MPhil
Marion Leary, MSN, RN**

GUEST FACULTY

**Laurie J. Morrison, MD, MSc
Director, Rescu
Robert and Dorothy Pitts Chair
Professor, Emergency Medicine
Department of Medicine
University of Toronto**

**In Conjunction with
Hospital of the University of Pennsylvania,
Department of Nursing Education,
Innovation and Professional Development**

PROGRAM OVERVIEW & TARGET AUDIENCE

Hypothermia and Resuscitation Training Institute at Penn (HART) is an intensive two-day “boot camp” designed to educate relevant care providers on the use of targeted temperature management in critical illness and post-arrest and resuscitation care, as well as CPR quality, cardiac catheterization, internal cardiac defibrillator (ICD) consideration and advanced ICU care. In addition to scholarly presentations and discussions regarding targeted temperature management usage, a key goal is to help each attendee explore the various methods and protocols currently being used around the country and to have hands-on technical experience with the equipment used, as well as CPR “challenge” simulations. By the conclusion of the course, each attendee will have a firm grasp of the practical issues surrounding the implementation of targeted temperature management (TTM) and its range of applications and uses, and will gain an understanding of how to best develop and implement a comprehensive in-hospital high quality resuscitation program.

This activity has been designed for physicians (cardiologists, neurologists, emergency medicine physicians, intensive care physicians), physician assistants, registered and advanced practice nurses, and emergency medical service directors and paramedics.

Learning Objectives

At the conclusion of this program, learners should be able to:

- Review the history, evidence and pathophysiology surrounding the use of TTM
- Create a working TTM protocol for their respective institutions
- Determine appropriate inclusion and exclusion criteria for patients being considered for comprehensive care including temperature and hemodynamic management
- Implement TTM for patients at their respective institutions
- Develop a “post-cardiac arrest bundle” of care for their organization including the use of automatic external defibrillators, CPR quality improvement, and debriefing arrest events

Hosting Department

Hypothermia and Resuscitation Training Institute at Penn (HART) is hosted by the Center for Resuscitation Science, Department of Emergency Medicine, Hospital of the University of Pennsylvania.

Accreditation

Physicians: The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nurses: The Hospital of the University of Pennsylvania, Department of Nursing Education, Innovation and Professional Development is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Designation of Credit

Physicians: The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 15.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The program will award 15.5 contact hours.

Certificates and Transcripts: A few days prior to the symposium, pre-registered participants will receive an email containing directions, additional symposium information and a link to the symposium pre-test, which is an anonymous, short questionnaire that will be used to gauge participant knowledge. After the symposium has concluded, all participants will receive a follow-up email containing a link to the post-test, symposium evaluation and request for credit (please note that certificates are not automatically issued). Once participants submit the request for credit, the credit can be viewed on a transcript by logging onto www.penncmeeonline.com two weeks after the symposium. Additionally, a certificate will be mailed via the US postal service 4-6 weeks after the symposium has concluded.

Disclosures

Perelman School of Medicine at the University of Pennsylvania, Office of Continuing Medical Education, adheres to the *ACCME Standards for Commercial Support*. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Registration Fees

The registration fees for *Hypothermia and Resuscitation Training Institute at Penn (HART)* are \$795 for physicians and industry and \$595 for other healthcare professionals, residents, and fellows. The registration fees for the 2-day conference include tuition, course syllabus on a flash drive, continental breakfasts, morning and afternoon breaks and lunch on both days as well as a reception on Monday, October 20, 2014.

Registration forms may be mailed or faxed to the Office of Continuing Medical Education or you may register on-line at www.penncmeeonline.com and click on CME Activities/Live Events. Please see the bottom of the registration form for contact information. All registrations will be confirmed in writing if the necessary form and fee are received by the Office of Continuing Medical Education by October 6, 2014.

Cancellation and Refund Policy

In order to process refunds for course withdrawals, cancellations must be received in writing by October 6, 2014 (subject to a service charge equivalent to 10% of the registration fee). No refunds will be issued thereafter.

The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will refund any registration fees but is not responsible for any related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.

Meeting Location

Hypothermia and Resuscitation Training Institute at Penn (HART) will take place on Monday and Tuesday, October 20-21, 2014 at the Loews Philadelphia Hotel, 1200 Market Street, Philadelphia, PA. Directions will be mailed to you with your registration confirmation letter.

If you require overnight room reservations, please call the Loews Philadelphia Hotel at 215-627-1200. You may also register online using the following link: <http://www.loewshotels.com/en/Philadelphia-Hotel/GroupPages/UPE102114> and enter the following booking code: UPN263. A block of rooms has been reserved for October 19-21 at the special rate of \$259 plus applicable taxes at the time of checkout, currently 15.2%. This rate will remain effective until Monday, September 22, 2014 or when the room block is full, whichever occurs first. Parking is available at the hotel. Current valet charges are \$36.40 per night plus tax. The parking fee is your responsibility and is not included or reimbursed by the conference.

Except as otherwise indicated, the course directors and faculty are from Perelman School of Medicine at the University of Pennsylvania, Philadelphia, PA

COURSE DIRECTORS

Benjamin S. Abella, MD, MPhil
Associate Professor
Department of Emergency Medicine
Perelman School of Medicine
at the University of Pennsylvania
Clinical Research Director
Center for Resuscitation Science
Attending Physician, Emergency Department
Hospital of the University of Pennsylvania

Marion Leary, MSN, RN
Assistant Director of Clinical Research
Center for Resuscitation Science
Nurse, Medical Intensive Care Unit
Hospital of the University of Pennsylvania

GUEST FACULTY

Laurie J. Morrison, MD, MSc
Director, Rescu
Robert and Dorothy Pitts Chair
Professor, Emergency Medicine
Department of Medicine
University of Toronto

Services for the Disabled If special arrangements are required for an individual with a disability to attend this meeting, please contact the Center for Resuscitation Science no later than October 6, 2014, at 215-662-6912.

Nondiscrimination Statement The University of Pennsylvania values diversity and seeks talented students, faculty, and staff from diverse backgrounds. The University of Pennsylvania does not discriminate on the basis of race, sex, sexual orientation, gender identity, religion, color, national or ethnic origin, age, disability, or status as a Vietnam Era Veteran or disabled veteran in the administration of educational policies, programs or activities; admissions policies; scholarship and loan awards; athletic, or other University administered programs or employment. Questions or complaints regarding this policy should be directed to Executive Director, Office of Affirmative Action and Equal Opportunity Programs, 3600 Chestnut Street, Sansom Place East Suite 228, Philadelphia PA 19104-6106 or 215-898-6993 (Voice) or 215-898-7803 (TDD). www.upenn.edu/affirm-action

FACULTY

Cassandra Bellamy, PharmD, BCPS
Clinical Specialist, Critical Care
Medical Intensive Care Unit
Hospital of the University of Pennsylvania

Lance B. Becker, MD
Professor of Medicine
Perelman School of Medicine
at the University of Pennsylvania
Director, Center for Resuscitation Science
Attending Physician, Emergency Department
Hospital of the University of Pennsylvania

Gail Delfin, MSN, RN, CCRN
Clinical Research Nurse
Center for Resuscitation Science
Hospital of the University of Pennsylvania

Barry D. Fuchs, MD
Associate Professor of Medicine
Department of Medicine
Perelman School of Medicine
at the University of Pennsylvania
Medical Director of MICU
Hospital of the University of Pennsylvania

David F. Gaieski, MD
Associate Professor of Medicine
Department of Emergency Medicine
Perelman School of Medicine
at the University of Pennsylvania
Attending Physician, Emergency Department
Hospital of the University of Pennsylvania

Daniel M. Kolansky, MD
Associate Professor of Medicine
Department of Medicine
Perelman School of Medicine
at the University of Pennsylvania
Director, Cardiac Care Unit
Cardiovascular Division
Hospital of the University of Pennsylvania

Joshua M. Levine, MD
Associate Professor of Neurology
Perelman School of Medicine
at the University of Pennsylvania
Co-director, Neurocritical Care Program
Departments of Neurology, Neurosurgery and Anesthesiology
Hospital of the University of Pennsylvania

Monday – Tuesday, October 20-21, 2014

AGENDA

Monday, October 20, 2014

7:30 AM – 8:00 AM **Registration and Continental Breakfast**

8:00 AM – 8:15 AM **Welcome and Course Orientation**
Benjamin S. Abella, MD, MPhil

DIDACTIC LECTURE BLOCK

8:15 AM – 9:00 AM **Review of Post-resuscitation Care Evidence and Trials**
Benjamin S. Abella, MD, MPhil

9:00 AM – 9:45 AM **Review of Therapeutic Temperature Management and FDA Approved Indications**
David F. Gaieski, MD

9:45 AM – 10:05 AM **Break and Exhibits**

10:05 AM – 10:45 AM **How to be a Champion: Knowledge Translation and Roadblocks**
Gail Delfin, MSN, RN, CCRN

10:45 AM – 11:15 AM **Breaking the Barriers to Raising the Dead**
Lance B. Becker, MD

11:15 AM – 11:30 AM **Survivor Story**

11:30 AM – 12:20 PM **Lunch With Q & A Faculty Panel:**
Benjamin S. Abella, MD, MPhil
Lance B. Becker, MD
Gail Delfin, MSN, RN, CCRN
David F. Gaieski, MD

12:20 PM – 12:30 PM **Simulation Information**
Marion Leary, MSN, RN

BREAKOUT SESSIONS AND SIMULATIONS (FIVE TEAMS WITH ROTATIONS)

12:30 PM – 4:00 PM **Station 1: Building Your Team to Implement and Manage TTM**
Benjamin S. Abella, MD, MPhil

Station 2: Patient Selection and Implementation of Protocol
Gail Delfin, MSN, RN, CCRN

Station 3: “Hands-on” CPR Quality Stations

Station 4: Post-arrest Simulation

Station 5: Post-arrest Simulation

4:00 PM – 6:00 PM **Reception / Lecture**
Benjamin S. Abella, MD, MPhil

Tuesday, October 21, 2014

7:30 AM – 8:00 AM **Registration and Continental Breakfast**

DIDACTIC LECTURE BLOCK

8:00 AM – 8:45 AM **TTM and Cardiovascular Management**
Daniel M. Kolansky, MD

8:45 AM – 9:30 AM **TTM and Neurological Monitoring**
Joshua M. Levine, MD

9:30 AM – 9:45 AM **Break and Exhibits**

9:45 AM – 10:15 AM **Pharmacological Considerations With Cooling**
Cassandra Bellamy, PharmD, BCPS

10:15 AM – 10:45 AM **Adverse Effects of TTM: Managing Side Effects**
Barry D. Fuchs, MD

10:45 AM – 11:15 AM **Building a Resuscitation Quality Program: Defibrillation, QA, & Beyond**
Benjamin S. Abella, MD, MPhil

11:15 AM – 12:30 PM **Lunch Lecture**
One Hospital's Experience With Targeted Temperature Management
Laurie J. Morrison, MD, MSc

BREAKOUT SESSIONS AND SIMULATIONS (FIVE TEAMS WITH ROTATIONS)

12:30 PM – 4:00 PM **Station 1: Monitoring of Post-arrest Patients and Potential Pitfalls**
Gail Delfin, MSN, RN, CCRN

Station 2: Using TTM for Neurologic Injury, Other Applications
Joshua M. Levine, MD

Station 3: Certification Exam
Benjamin S. Abella, MD, MPhil

Station 4: Post-arrest Simulation

Station 5: Post-arrest Simulation

4:00 PM **Adjournment**

HYPOTHERMIA AND RESUSCITATION TRAINING INSTITUTE AT PENN (HART)

Monday – Tuesday
October 20-21, 2014

To register online for the course please visit www.penncmeonline.com and click on CME Activities
