3rd Podiatric Sports Medicine Conference – London District Branch in Association with ECOSEP

'Inspiring Clinical Excellence'

Friday 4th July 2014

The Royal College of Physicians

Dr Nat Padhiar
Conference Chairman

Introduction

After yet another successful PSM Annual Conference in 2013, the London District Branch (College of Podiatry) in association with European College of Sports & Exercise Physicians are holding this engaging event again on 4th July 2014 at the Royal College of Physicians.

Podiatric Sports Medicine is gaining popularity, judging by around 200 delegates attending the 2nd PSM Conference. We had to disappoint a lot of the applicants as the venue had a maximum number they could manage due to H&S regulations.

This year we are holding the conference at The Royal College of Physicians which holds upto 300 delegates and the surroundings opulent.

The day will comprise of formal lectures and informal workshops. The topics that will be covered will include:

- Medicine and medical problems of the foot & ankle
- Anti-doping and prescribing medicine
- Blood tests - what do they mean
- Orthotic indication and prescribing orthotics
- Pitch side biomechanics
- Radiology of foot and ankle in sport
- Keynote speaker to inspire, encourage and motivate
- Workshops: Introduction to Ultrasound Scan, Pitch side biomechanics

The conference is open to podiatrists, physiotherapists, sports physicians, osteopaths, chiropractors and sports therapists. Everybody is welcome.

The speakers are all renowned names in sport and exercise medicine.

There will be a varied trade exhibition present with Bauerfeind having already confirmed their intention to support this event.
