Program Description

This CME symposium deals with current advances in peritoneal dialysis therapy.

The program consists of a series of lectures given by experts in the field, followed by a Q & A session and workshops. The aim is to refine knowledge of peritoneal dialysis, patient selection, dialysis prescription and complications among nephrologists, primary care physicians, and other health care professionals in the New York area.

Learning Objectives

- Identify indications for peritoneal dialysis compared to hemodialysis.
- Identify when to start urgent peritoneal dialysis in order to change the existing dialysis paradigm.

Target Audience

Nephrologists, Primary care physicians, Dialysis nurses, Dietitians and other health care professionals.

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
