BOARD PREPARATION COURSE

SEPTEMBER 4-6, 2014
HYATT REGENCY O'HARE
ROSEMONT, IL

PROGRAM CHAIR:
JASON K. POTTER, MD, DDS

PROGRAM CO-CHAIR:
RICHARD Y. HA, MD

PlasticSurgery.org/BoardPrep

Earn up to 28.75 AMA PRA Category 1 Credits™

Sponsored by:

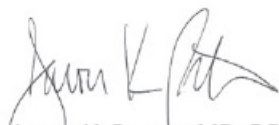

AMERICAN SOCIETY OF
PLASTIC SURGEONS®

Dear Attendees,

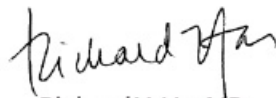

The 2014 ASPS Oral and Written Board Preparation Course is interactive and comprehensive, using more than 100 plastic surgery cases to provide a thorough overview of plastic surgery principles and management problems. Featuring a new, more efficient format and focused learning modules, attendees will benefit from this high-yield educational program. Continuous case scenarios will be presented with an emphasis on the critical criteria applicable for examination. The course will include topic modules in the areas of breast/aesthetic, hand/complex wounds/burns/scars, craniofacial/head and neck, and CPT coding.

Intended Audience: This course is appropriate for surgeons seeking a review of clinical science and patient safety issues. It is useful for those preparing to take the oral and written ABPS examinations and serves as an educational resource for MOC efforts.

We look forward to helping you prepare for the exams!

Jason K. Potter, MD, DDS
Program Chair

Richard Y. Ha, MD
Program Co-Chair

Supported by:

sientra.

IMAGING EXCELLENCE FROM
 **CANFIELD**

Program Highlights:

- New, condensed format with continuous mock oral cases
- Dual concurrent tracks for customized learning so you can focus on either the oral or the written exam
- Practice exam sessions with immediate faculty feedback
- Convenient digital syllabus available to all attendees
- Individualized discussions and guidance for oral exam case book preparation
- Focused didactic lectures on clinical plastic surgery
- Instruction on patient safety and the management of complications
- Effective study strategies and networking opportunities

We want you to pass your Boards—this course is your exam solution!

oral *and* written
BOARD PREPARATION COURSE

Program Overview

Spend three days with the American Society of Plastic Surgeons (ASPS) reviewing board-relevant cases and you will leave feeling more confident and better prepared to take the American Board of Plastic Surgery (ABPS) Oral and Written Board Examinations. This course is also a great tool for surgeons preparing for recertification or fulfilling maintenance of certification hours.

LEARNING OBJECTIVES

Upon completion of this activity, participants should be able to:

- Anticipate patient safety issues and address patient concerns using language easy for the patient to understand
- Assess and describe their current knowledge of plastic surgery and identify areas where further study would be beneficial
- Compare approaches to complex plastic surgery problems with colleagues
- Respond to clinical questions in a concise, orderly manner
- Describe the format of the oral and written board examinations
- Assess the psychological aspects of taking an oral and written examination

This activity will address the following ACGME/ABMS competencies:

- Professionalism
- Patient care and procedural skills
- Medical knowledge
- Interpersonal and communication skills

Accreditation

The American Society of Plastic Surgeons® (ASPS) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation

The ASPS designates this live activity for a maximum of **28.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

3 Three of the 28.75 credits have been identified as programming applicable to patient safety.

Completion of this course does not imply or guarantee a successful outcome on the examination or certification efforts.

Disclosure Policy

The American Society of Plastic Surgeons requires all faculty, authors, planners, reviewers, managers, and other individuals in a position to control or influence the content of an activity to disclose all relevant financial relationship or affiliations. All identified conflicts of interest must be resolved and the educational content thoroughly vetted by ASPS for fair balance, scientific objectivity, and appropriateness of patient care recommendations. The ASPS also requires faculty/authors to disclose when off-label/unapproved uses of a product are discussed in a CME activity or included in related materials.
