

LOCATION & ACCOMMODATIONS

This program will be held at the Estancia La Jolla Hotel which is located at 9700 North Torrey Pines Road in La Jolla, CA. The hotel is located in the midst of a classic California coastal ranch setting, adjacent to the world-class Torrey Pines Golf Course. The Estancia La Jolla Hotel is only 14 miles from downtown San Diego and the San Diego International Airport.

For the guaranteed rate of \$179/night, please contact the hotel at 877/437-8262 prior to Friday, September 5, 2014, and ask for the UCSD Program rate. The discounted daily hospitality service fee of \$8.00 per room per night includes: welcome beverage at check-in, guest room bottled water daily, wireless internet access in guest room and common area, daily newspaper, in room coffee & morning coffee service in Trinitas Cellars Wine Bar, local and 800 call access and access to Fitness Center, Internet Office and Pool area.

SAN DIEGO, CALIFORNIA

San Diego is renowned for its idyllic climate, 70 miles of pristine beaches and a dazzling array of world-class family attractions. Popular attractions include the world-famous San Diego Zoo and Wild Animal Park, Sea World San Diego and LEGOLAND California. San Diego offers an expansive variety of things to see and do, appealing to guests of all ages from around the world.

ACCREDITATION

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this live activity for a maximum of 7.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CULTURAL AND LINGUISTIC COMPETENCY

This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. Cultural competency is defined as a set of integrated attitudes, knowledge, and skills that enables healthcare professionals or organizations to care effectively for patients from diverse cultures, groups and communities. Linguistic competency is defined as the ability of a physician or surgeon to provide patient who do not speak English or who have limited ability to speak English, direct communication in the patient's primary language. Cultural and linguistic competency was incorporated into the planning of this activity. Additional resources on cultural and linguistic competency and information about AB1195 can be found on the UCSD CME website at <http://cme.ucsd.edu>.

COURSE DESCRIPTION

This course is designed to provide the learner with the most up to date review of lead management. To give an in-depth review of indications for lead extraction and management of device infections as well as available tools and technology for extraction. A live extraction case will be featured with a panel expert discussion.

NEEDS ASSESSMENT

To provide a comprehensive review of how to best manage the increasing complexity of lead management including the appropriate care for recalled leads and device infections.

OBJECTIVES

- 1) Discuss the indications for lead extraction with review of the current guidelines.
- 2) Review best practice and risk models for recalled leads.
- 3) Assess lead extraction techniques.
- 4) Summarize management of device complications including infections.

TARGET AUDIENCE

Electrophysiologists, Cardiologists, CardioThoracic Surgeons, EP Fellows and Cardiology Fellows
