

THE AMERICAN ACADEMY OF EMERGENCY MEDICINE

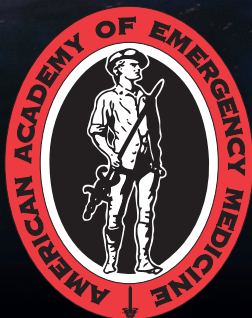

— presents —

AAEM Written Board Review Course

Unmatched Preparation for the Qualifying Exam
and ConCert Exam

August 19-22, 2014

Hyatt Regency Grand Cypress • Orlando, FL

COMMENTS from former course participants:

*"I feel more prepared than ever
before for a board exam."*

*"It's perfect for busy practicing
MDs."*

*"Excellent, organized approach
tips regarding specific test
questions."*

*"Great combination of intense
learning and relaxation."*

*"Excellent adherence to core
curriculum."*

AAEM Written Board Review Course

COURSE FEATURES

- Up to 27 hours of intense review of EM board materials.
- Taught by experienced emergency medicine faculty.
- Exceptional value — Includes lunch for three course days.
- Comprehensive review of emergency medicine for all emergency physicians. Ideal for exam-takers or for physicians seeking quality review materials.

CONTINUING MEDICAL EDUCATION

Accreditation Statement

The American Academy of Emergency Medicine (AAEM) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

The American Academy of Emergency Medicine designates this live activity for a maximum of 27 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy

All planning committee members, faculty and staff participating in continuing medical education programs sponsored by AAEM are expected to disclose to the audience any real or apparent conflicts of interest to the content of their presentations. AAEM's Education Committee and ACCME Subcommittee have established procedures to resolve conflicts of interest.

LEARNING OBJECTIVES

Upon completion of this course, participants will be able to:

1. Describe common hematologic & oncologic emergencies, environmental disorders, neurotrauma cases, musculoskeletal emergency presentations, renal & urogenital disorders, cutaneous disorders, and pediatric disorders.
2. Recognize visual images associated with common emergency medicine presentations defined as critical or emergent in the 2011 Model of the Clinical Practice of Emergency Medicine.
3. Identify the clinical presentation and discuss systemic infectious diseases, abdominal and gastrointestinal disorders, traumatic disorders, cardiovascular board topics, dermatologic emergencies and toxicology board topics.
4. Outline complications and management of endocrine/metabolic disorders, HEENT board topics, thoracic and respiratory disorders, obstetrics/gynecology emergencies and electrocardiography board topics.
5. Evaluate their progress throughout the course and apply the knowledge gained in the course to better prepare them for the written ABEM or AOBEM certification or recertification exam.

August 19–22, 2014 Orlando • Florida

TARGET AUDIENCE

This course is designed for emergency medicine physicians certifying and recertifying with the American Board of Emergency Medicine (ABEM) or the American Osteopathic Board of Emergency Medicine (AOBEM), and emergency medicine physicians who want a rapid, thorough, and overall review of emergency medicine.

METHODS OF INSTRUCTION

In order to best meet the stated learning objectives, instruction will be provided in a lecture format, encompassing the core information most applicable to the written exams. Visual aids and handout materials will also be provided.

***Disclaimer: The material presented in this course is made available for educational purposes only. The material does not represent the only, nor necessarily the best, procedure or treatment for the situations discussed.*
