American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN™

PREP® THE COURSE IS DESIGNED AS:

An intensive review and update of pediatrics and a unique component of the American Academy of Pediatrics overall educational program. While the course content is based on the content specifications issued by the American Board of Pediatrics (ABP) for Maintenance of Certification™ (MOC), the course also features case-based sessions, hot topics, and visual diagnosis components related to the latest information on clinical practice.

YOU SHOULD ATTEND PREP® THE COURSE IF YOU ARE:

- Providing health care for infants, children, and/or adolescents and are interested in a diverse, intensive format to update your knowledge and skills.
- Interested in having your questions answered by experts in group, case-based sessions.
- Seeking exam preparation for the Part 3 component of ABP Maintenance of Certification™ (MOC).
- Needing additional points for the Part 2 component of ABP Maintenance of Certification™ (MOC).

Note: These courses are not intended to meet the requirements of an initial board certification examination.

PREP® THE COURSE IS DESIGNED TO COVER CONTENT IN THE FOLLOWING AREAS:

- | | |
|---|--------------------------------|
| • Adolescent Health | • Mental Health |
| • Allergy and Immunology | • Metabolism |
| • Behavioral Pediatrics | • Neonatology |
| • Bioethics | • Nephrology |
| • Cardiovascular Disorders | • Neurology |
| • Child Abuse and Neglect | • Nutrition/Breast Feeding |
| • Children with Special Health Care Needs | • Obesity |
| • Critical Care | • Ophthalmology |
| • Dental/Oral Health | • Orthopaedics |
| • Dermatology | • Otolaryngology |
| • Developmental Pediatrics | • Patient Safety |
| • Disabilities | • Perinatology |
| • Disease Prevention | • Pharmacology |
| • Early Brain and Child Development | • Poison Prevention |
| • Emergency Medicine | • Psychiatry |
| • Endocrinology | • Psychosocial Issues |
| • Epidemiology | • Pulmonology |
| • Ethics | • Quality Improvement |
| • Fetus and Newborn Infant | • Radiology/Imaging |
| • Fluids and Electrolyte Metabolism | • Renal and Urologic Disorders |
| • Gastrointestinal Disorders | • Research |
| • General Pediatrics | • Respiratory Disorders |
| • Genetics and Dysmorphology | • Rheumatology |
| • Gynecology | • Sexual Abuse |
| • Health Promotion | • Smoking/Tobacco |
| • Hematology and Oncology | • Sports Medicine |
| • Immunization Updates | • Statistics |
| • Infectious Diseases | • Substance Abuse |
| • Injuries and Poisoning | • Urology |
| • International Child Health | • Violence |

HERE'S WHAT TO EXPECT WHEN YOU ATTEND PREP® THE COURSE

A variety of educational formats to meet different learning styles:

- **Lectures**
Cognitive, didactic presentations based on the ABP's content specifications, with opportunities for questions immediately following each lecture.
- **Case Sessions: Diagnosis and Management**
A series of case studies relating to the lecture topics presented in interactive group settings. Cases in each topic area are presented concurrently throughout the course. **Please note that each Concurrent Case Session is presented three times, so that participants have opportunities to attend as many different Concurrent Case Sessions as possible.**
- **Faculty Panels**
Faculty panel discussions that provide an additional opportunity to have your questions answered in a moderated question-and-answer format.
- **Visual Diagnosis**
A series of photos showing different health issues are made available for viewing during the course. Participants can record their diagnoses and review the diagnosis critiques posted the next day.
- **Pre/Post-Course Self-Assessment Bonus! ABP MOC Part 2 Eligible**
Prior to each course, participants can view cases and answer diagnosis questions online. Information provided at the course can aid in properly diagnosing each case. Following the course, a post-course self-assessment is made available with a link to diagnosis critiques.
**Upon completion of the pre/post-course self-assessment, learners will be eligible to receive 10 points of ABP MOC Part 2 credit.*
- **"Hot Topics"**
Since course content is planned many months in advance, it is possible that new or emergent issues relevant to a course topic area may arise in the weeks and months preceding the course. Accordingly, some faculty members will be asked to begin their lecture(s) with a ten-minute discussion of hot topics, new protocols, and/or recent clinical advances in their respective subspecialties.

COMPREHENSIVE ELECTRONIC COURSE SYLLABUS

In order to provide high-quality images and graphics and in the spirit of going green, the syllabus for each course will be available to all attendees online for download in advance of the course. The electronic syllabus will contain the presentations for the various educational sessions along with other useful information. You will also be able to take notes directly on the contents using Adobe Reader, much in the same way you would with a printed syllabus.

To accommodate individual learning styles, you can choose to print the syllabus before the course, or you can order a printed copy of the syllabus if you prefer. If you would like to receive a printed copy of the syllabus, simply select that option on the course registration form. Please note that an additional fee of \$150 applies. Also, to be guaranteed receipt of a printed syllabus at the course, you must register by the early bird deadline for the course you will be attending.

Note: For those who have not pre-ordered the printed syllabus, copies may be available for purchase onsite or after the course; however, quantities will be limited, and availability cannot be guaranteed. The price for a printed syllabus ordered onsite or after the course is \$250.

Electrical power for laptop and tablet use will not be available for full-time use by each course attendee throughout the educational sessions. A limited number of power outlets will be available for recharging of computers and tablets during breaks at each course.

PREP® THE COURSE GENERAL INFORMATION

SCHEDULE AND FACULTY

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit www.aap.org/livecme for schedule, faculty, and session updates.

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.

REGISTRATION

Using your Visa, MasterCard, American Express, or Discover, fax your registration to 847/228-5059 or 847/434-8757. Or call toll-free, 866/THE-AAP1 (866/843-2271). Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and your concurrent sessions selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly. Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

Onsite registrants are welcome if space is available. Availability of course materials cannot be guaranteed for these registrants, however, until after the course.

SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations you may need on your registration form. Scooter and wheelchair rentals are available by contacting Scoot Around Inc., toll-free at 888/441-7575, by email at info@scootaround.com, through their website at www.scootaround.com, or by fax at 204/478-1172.

CANCELLATIONS

Cancellations must be received in writing two weeks prior to the start of a course to receive a refund. An administrative charge of \$50 will be deducted.

UNABLE TO ATTEND?

While nothing replaces the experience of being at PREP® The Course, not everyone can attend in person. If you can't be there, you may order an online version of the lectures and the concurrent sessions presentations synced with the audio recorded at the Tempe course. To order online, visit www.dcpvidersonline.com/aap or call Digital Conference Providers at 630/963-8311 for pricing and additional information.

AIR TRANSPORTATION

The AAP Travel Office is pleased to offer negotiated airline discounts to our CME courses. For complete details call the AAP Travel Office at 888/227-1772, Monday-Friday, 8:00AM-4:30PM CST, to make your travel arrangements.

AAP members only may also take advantage of making their travel arrangements online, through Concur at www.concursolutions.com.

If you were a nuTravel user:

- Current members that are nuTravel users will automatically have a Concur login.
- The login is your AAP ID number @aap.org.
- Your initial password is changeme. You will change your password once you enter the site.

If you are a new user or if you find that your login is invalid contact the AAP Travel Office for help at 888/227-1772. All applicable airline discounts will be taken at the time of ticketing by the AAP travel agency.

CAR RENTAL DISCOUNTS

The AAP Travel Office is offering CME course attendees a reduced car rental rate through Hertz and Avis. Please ask your AAP Travel Agent for details. Hertz can be reached directly at 800/654-2240 or www.hertz.com. The AAP discount code is CV01570018. Avis can be reached at 800/331-1600 or www.avis.com. The AAP discount code is AWD A628999.

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates each of these live activities for a maximum of 42.0 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each of these activities is acceptable for a maximum of 42.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 42.0 hours of Category 1 credit for completing this program.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Each of these programs is accredited for 42.0 NAPNAP CE contact hours; pharmacology (Rx) and psychopharmacology contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

HOTEL & TRAVEL INFORMATION

Tempe Mission Palms

60 East Fifth Street

Tempe, AZ 85281

www.missionpalms.com

Direct Phone Number: 480/894-1400

Toll-free Phone Number: 800/547-8705

Guest Fax Number: 480/968-7677

Special group rates beginning at \$179 per night, plus tax, for single or double occupancy, have been negotiated at the Tempe Mission Palms. These rates represent substantial savings from published rates. **The cutoff date for reservations at the group rate is February 7, 2014.** Call the hotel directly to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to February 7, 2014; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

Ground Transportation: As a courtesy to its guests the hotel provides daily airport transportation, 5:30AM-10:00PM. When you arrive at baggage claim and have luggage in-hand, please call the hotel at 480/894-1400. The operator will direct you to the proper curb-side location for your terminal, and advise you the estimated pickup time.

Parking: Valet service for your vehicle is available at the front entry of the hotel for a fee.

Sheraton Denver Downtown Hotel

1550 Court Place

Denver, CO 80202

Guest Fax Number: 303/626-2543

Special group rates beginning at \$169 per night, plus tax, for single or double occupancy, have been negotiated at the Sheraton Denver Downtown Hotel. These rates represent substantial savings from published rates. **The cutoff date for reservations at the group rate is August 8, 2014.** Call the hotel directly to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to August 8, 2014; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

Ground Transportation: For transportation options from the Denver International Airport visit www.flydenver.com/parkinggt. Taxi and shuttle service is available.

Parking: Onsite self-parking and valet parking are available for a fee.

2014 AAP CME SCHEDULE

- **Practical Pediatrics CME Courses**
Designed for pediatricians, family physicians, nurses, nurse practitioners, physician assistants, and allied health professionals caring for children, Practical Pediatrics CME Courses feature nationally prominent faculty presenting topics that highlight current issues in pediatrics.

- ❖ **PREP® The Course**
An intensive review and update of pediatrics and a unique component of the American Academy of Pediatrics overall educational program. While the course content is based on the content specifications issued by the American Board of Pediatrics (ABP) for Maintenance of Certification™ (MOC), the course also features case-based sessions, hot topics and visual diagnosis components related to the latest information on clinical practice.

- ★ **Subspecialty/Section CME Courses**
Appropriate for the pediatric subspecialist or the general pediatrician with a particular interest in the topic.

- ▲ **AAP Experience | www.aapexperience.org**
The AAP Experience (National Conference & Exhibition) features educational sessions in over 60 topic areas to suit a variety of learning styles. Home to the largest pediatric technical exhibit, the conference showcases the latest pediatric products and services, as well as AAP educational and professional resources and programs. The AAP conference also provides countless premier social events, networking opportunities, and tourism packages and services for attendees and their families.
