Invitation

Pranaam

Warm greetings from the organizing committee of **EMCON 2014**, the 16th Annual Conference for The Society of Emergency Medicine, India (SEMI) which will be held at Mumbai from 6th to 9th November, 2014.

As it's our proud privilege to host this prestigious academic conclave, we shall endeavour to provide a superb comprehensive scientific feat comprising of unique workshops, lectures, orations and interactive sessions.

The theme of **EMCON 2014** is "**Procure Globally and Perform Locally**".

We are honoured to have faculty from India and across the globe who are stalwarts in the field of Emergency Medicine with massive experience to share their wisdom and enrich us. This will help us in learning changing patterns, newer aspects in management and thus help us in translating evidence based knowledge into clinical practice.

The unique feature of **EMCON 2014** is that we are geared up to train our own doctors, paramedical staff and have organised special sessions for nurses and students to imbibe in them motivating seeds of saving lives and importance of **GOLDEN HOUR**. It would be our endeavour to transfer information from "**THE BENCHMARK TO THE BEDSIDE**" in the peripheral roots of India.

As always said "**A HEALTHY MIND IN A HEALTHY BODY**", we have chosen an elaborate and state-of-art conference venue to make learning conducive and imprintable.

EMCON 2014 is sure to put together a scientific extravaganza along with our Indian culture and gracious hospitality at Mumbai.

We hold the reputation of having organised one of the best EMCON in 2004 and it's our pledge to give an even more pristine and precise **EMCON 2014**.

Eager to welcome you,

Dr. Khusrav Bajan

Chairman, EMCON 2014
