Wayne State University

***Keynote Speakers**

Objectives

1. Understand the differences among various systems of health care.
2. Comprehend the long term outcomes of preterm infants treated for apnea of prematurity.
3. Know the global perspective on perinatal mortality and stillbirth.
4. Better understand the complex origin of cerebral palsy.
5. Learn the latest strategies on neonatal abstinence syndrome and the use of donor breast milk in the NICU.
6. Evaluate the role of blood transfusions in preterm infants.
7. Better understand the results of recent trials to assess pulse oximetry targeting.

Society of Michigan Neonatologists Conference

September 16-17, 2014

Crystal Gardens Banquet Center ♦ Howell, Michigan

On behalf of the Society of Michigan Neonatologists and Wayne State University School of Medicine, we invite you to Howell, Michigan for the Society of Michigan Neonatologists annual conference, designed just for the neonatal healthcare provider. Our featured speakers will be Haresh Kirpalani, BM from Children's Hospital of Philadelphia, University of Pennsylvania and Barbara Schmidt, MD from the Children's Hospital of Philadelphia, University of Pennsylvania who will be joined by several of our in-state colleagues. This event will assist you in providing the best care possible for your patients. We look forward to seeing you there!
