International Conference on

Evidence Informed Practice: An Approach to Healthcare Reform

Pre conference workshop: 23rd January 2015

Venue: Fortune Inn Valley View

Conference Date:
24th-25th January, 2015

Proposed Conference Venue:
Golden Jubilee Auditorium
Syndicate Bank, Manipal

Manipal College of Nursing Manipal
Karnataka, India

MANIPAL
UNIVERSITY

Introduction:

Evidence Informed Practice refers to the process of integrating the experience and expertise of the health care professionals, with the best available evidence from research, while incorporating the preferences, rights and individual circumstances of patients in making clinical decisions about their care. Evidence gathered through systematic reviews have challenged established beliefs, optimized care and resource utilization, prevented harm and saved lives. Further, the Evidence Informed Healthcare Practice emphasizes on a range of practice-oriented research activities to improve the effectiveness of health care practices and outcomes.

This International conference is a unique event in the professional nursing scenario in the country. It will bring together leading speakers in evidence-based practice from all over the world, from the fields of nursing research, evidence based care. The conference is designed to showcase innovative ideas, processes and best practices that form the foundations of an evidence-based approach in nursing. It will offer great opportunities to learn from experts in evidence based health care and gain an understanding of how to apply evidence to bring a change in healthcare practice.

Theme:

EVIDENCE INFORMED PRACTICE – AN APPROACH TO HEALTHCARE REFORM

Sub Themes:

- Evidence synthesis and transfer.
- Evidence informed decision making.
- Evidence informed quality nursing care.
- Challenges in implementation of evidence based healthcare reform.

Target Group

Nursing faculty, clinical nurses, nursing students and other health care professionals

Goals

- To appreciate the role of research in generating high quality evidence.
- To understand the role of systematic reviews, evidence summaries in providing reliable and relevant evidence to health care reform.
- To promote integration of evidence in nursing education & practice.
- To provide an overview on the process of developing & implementing evidence informed health policies.
- To share the experience of how evidence changes the healthcare practice.

About the Host

Manipal University (MU) situated in Manipal, the knowledge city of India, in its 58 years of existence has emerged as a leading higher education provider in India. The University has created an ecosystem of teaching and research excellence, making it a universally accepted destination by students. Today MU has 21 constituent institutions, over 250 courses comprising nursing, medical, dental, pharmacy, allied health, engineering, management,

communication, hospitality etc. Spread over 600 acres of green expanse, MU is home for about 20,000 students pursuing undergraduate and post graduate programs in diverse subjects. MU has branch campuses in Bangalore, Mangalore, Jaipur, Malaysia, Dubai and Antigua in the Caribbean Island. It has an international academic collaboration for twinning programs with universities in the US, UK, Australia and other countries. MU has been imparting world-class education since the beginning. It has won the prestigious IMC Ramakrishna Bajaj National Quality award and International Asia Pacific Quality award during 2007 – 2008.

Manipal College of Nursing (MCON) Manipal, a constituent college of MU, established in the year 1990, is one of the leading institutions in India for nursing education and research. This is the first Nursing College in India accredited by ISO 9001:2008, the college is accredited by Environmental ISO 14001:2004. MCON Manipal has 6 clinical nursing departments and offers various academic programs starting from diploma in nursing, B.Sc. Nursing degree, post basic certificate, postgraduate, M. Phil and Ph.D. in nursing. Each year various conferences and workshops are organized by MCON Manipal for continuous improvement in Nursing, Education, Research and Practice

Climate: During January, Manipal will be warm and temperature ranges from 19°C in the night to 28°C during daytime.

How to reach Manipal?: Manipal is well connected by road, train and air. There are two main cities that serve as entry points to Manipal – Udupi and Mangalore. Udupi is 5 km and Mangalore is 65 kms away.

Flying in: Manipal is connected to the rest of the world through the international airport at Mangalore which takes an hour and a half to travel by road. There are regular flights from Mumbai, Hyderabad and Chennai via Bangalore. Prepaid taxis are available at Mangalore airport.

By Road: Manipal is well connected with all the major cities in Karnataka, Kerala, Goa, Maharashtra etc. Buses run between Mangalore and Manipal frequently. Direct buses are also available from Bangalore, Goa, Hyderabad, Mumbai, Kerala and other cities.

By Train: The closest railway station is Udupi and next is Mangalore. These railway stations lie on the Konkan route connecting the north and south along the west coast.

- Delhi and Mumbai (to the north) and Ernakulam (to the south) are linked to Udupi station.
- Mangalore station is connected to Bangalore, Chennai, Delhi, Goa, Calicut, Cochin, Trivandrum, Mumbai and other major cities
- Those travelling from Kolkata can travel via Chennai/ Mumbai/Bangalore/ Goa and then take a connecting train to Mangalore.
- There is also a train operating from Jammu to Mangalore once a week.
- For more information log on to www.indianrail.gov.in

Important Dates:

- Registration opens on 1st January 2014
- Abstract Submission opens on 1st January 2014
- Abstract submission deadline 1st November 2014

Registration fees (for conference only)

PARTICIPANTS	CATEGORY	AMOUNT	FOREIGN NATIONALS
