

08:00-09:00									E-Poster Viewing Session
09:00-10:30	Preventing accident and incident in RA	Continuing the good work (Continuous Spinal Anaesthesia)	Newer treatment modality in chronic pain management	Chronic regional pain syndrome (CRPS)	Session V	RA Workshop 7 Thoracic Paravertebral Block Workshop	RA workshop 8 Lumbar Paravertebral Sonography and Ultrasound Guided Lumbar Plexus Block	RA workshop 9 Peripheral Nerve Blocks that every Anaesthesiologist should be able to Perform: Brachial Plexus (Interscalene and Axillary), Femoral Nerve and Popliteal Sciatic Nerve Block	
10:30-11:00	Coffee Break, Exhibition & E-Poster Viewing								
11:00-12:30	The pangs of labour management - issues in obstetrics	Manipulating stress response by regional anaesthesia	Strategies in cancer pain management	Does intraneural injection cause neuropraxia?	Session VI	PM workshop 7 Cervical Spine Ultrasound Imaging – The Basics	PM Workshop 8 Ultrasound Imaging of Sacral Spine and Sacroiliac Joint and Injection Techniques for Chronic Pain Interventions	PM Workshop 9 Ultrasound imaging of the Thoracolumbar Spine, Intercostal and Paravertebral Space and Injection Techniques for Chronic Pain Interventions	
12:30-14:00	Lunch Break, Exhibition & E-Poster Viewing								
13:00-14:00	Non-CME Promotional Sessions (Industrial Workshop)				Luncheon Sessions				
14:00-17:00	Cadaver RA (Regional Anaesthesia) WS 4 - Advanced Ultrasound Guided Peripheral Nerve Block techniques Cadaver PM (Pain Medicine) WS 4 - Intrathecal pump placement workshop Pig RA (Regional Anaesthesia) WS 4 - Ultrasound Guided Nerve Block techniques								
14:00-15:30	Oldie but a goodie – new interests in lidocaine for pain management	In time for the future!	Seeing eye to eye	Roller coaster effects and in pregnant mothers	Session VII	RA workshop 10 Spinal Sonography and Ultrasound for Central Neuraxial Blocks-The Basics	RA Workshop 11 Ultrasound Guided Abdominal Wall Blocks: TAP/subcostal and Posterior), Iliogastric Nerve Block, Rectus Sheath Block	RA workshop 12 Ankle Block: Sonoanatomy and Injection Techniques	
15:30-16:00	Coffee Break, Exhibition & E-Poster Viewing								
16:00-17:30	Recent advances in spinal anaesthesia	Women's weekly-newer concepts in obstetrics anaesthesia	Truth behind teaching and training in RA	PCIA Remifentanyl should routinely be offered as first line labour analgesia	Session VIII	PM workshop 10 Ultrasound Guided Interventions for Low Back Pain: (Lumbar Approach: Medial branch block, facet joint injection, selective nerve root injection, Quadratus lumborum and Piriformis injection)	PM Workshop 11 Interventional Techniques for Pain Medicine I: Cervical spine, facet and nerve root injection	PM workshop 12 Ultrasound Imaging of the Lumbosacral Spine and Sacroiliac Joint and Injection Techniques for Chronic Pain Interventions	
19:00	Networking Event								
Thursday, November 27, 2014									
08:00-09:00									E-Poster Viewing Session
09:00-10:30	A LASTING concept (Local anaesthesia systemic toxicity)	Evidencing in chronic pain	Holy grail in chronic pain management	Epidural is the gold standard for postoperative pain relief	Session IX	RA Workshop 13 Regional Anesthesia for Ophthalmic Surgery	RA Workshop 14 Peripheral Nerve Blocks that every Anaesthesiologist should be able to Perform: Brachial Plexus (Interscalene and Axillary), Femoral Nerve and Popliteal Sciatic Nerve Block	RA Workshop 15 Ultrasound Guided Paravertebral and Central Neuraxial Blocks in Young Children	
10:30-11:00	Coffee Break, Exhibition & E-Poster Viewing								
11:00-12:30	Mitigating risks in difficult patients	What do we do when things do not go according to plan (salvaging failures)	Interventional pain management	Free Paper Session III	Session X	PM Workshop 13 Cervical Spine Ultrasound Imaging (Includes Cervical Epidural, Cervical Facet, Medial branch and Greater Occipital Nerve Block)	PM Workshop 14 Ultrasound Guided/ Assisted Sympathetic Block for Pain Medicine: Stellate ganglion, Superior hypogastric plexus, Lumbar sympathetic and Ganglion Impar	PM Workshop 15 Ultrasound imaging of the Thoracolumbar Spine, Intercostal and Paravertebral Space and Injection Techniques for Chronic Pain Interventions	
12:30-14:00	Lunch Break, Exhibition & E-Poster Viewing								
13:00-14:00	Non-CME Promotional Sessions (Industrial Workshop)				Luncheon Sessions				
14:00-15:30	All in a day's work-regional anaesthesia in ambulatory surgery	Hail Caesar! (considerations for anaesthesia for C section)	The apple of my eye-RA blocks in children	Is cervical transforamina steroids worth the risk	Session XI	RA Workshop 16 Master Class: Regional Anesthesia for Major Breast Surgery (Includes Multilevel Thoracic Paravertebral with PECS Block)	RA Workshop 17 Master Class: Sciatic Nerve Block Techniques – from Parasacral to Popliteal	RA Workshop 18 Master Class: Regional Anesthesia for Shoulder Surgery (Interscalene Brachial Plexus Block, Axillary Nerve Block, Shoulder Block)	
15:30-16:00	Coffee Break, Exhibition & E-Poster Viewing								
16:00-17:30	Mother of all (new frontiers in labour analgesia)	How to avoid seeing a barrister? (litigations in regional anaesthesia and pain therapy)	Coming directly from the horses' mouth	Regional Anaesthesia in adverse circumstances	Session XII	PM Workshop 16 Musculoskeletal Ultrasound Imaging II: Hip and Knee Joints and Injection Techniques	PM Workshop 17 Musculoskeletal Ultrasound Imaging I: Shoulder and Elbow Joints and Injection Techniques	PM Workshop 18 Interventional Techniques for Pain Medicine III: Cervical sympathetic Trunk, Cervical Plexus and Occipital Nerves	
18:00	Thanksgiving Networking Event - By Invitation Only								

Friday, November 28, 2014									
09:00-10:30	Magic bullet in averting RA complication - does the ultrasound really work	Is that a pain killer?	Making alternative arrangements	When small things matter most – RA in children	Session XIII	RA Workshop 19 Thoracic Paravertebral Block Workshop	RA Workshop 20 Spinal Sonography and Ultrasound for Central Neuraxial Blocks- The Basics	RA Workshop 21 CPR in Pregnancy	
10:30-11:00	Coffee Break								
11:00-12:30	What scares you most in obstetrics?	Less is more in chronic pain	Managing chronic pain better	Does regional anaesthesia have influence on immune system and cancer recurrence?	Session XIV	PM workshop 19 Musculoskeletal Ultrasound Imaging I: Shoulder and Elbow Joints and Injection Techniques	PM Workshop 20 Musculoskeletal Ultrasound Imaging II: Hip and Knee Joints and Injection Techniques	PM Workshop 21 Ultrasound Guided Interventions for Low Back Pain: (Lumbar Approach: Medial branch block, facet joint injection, selective nerve root injection, Quadratus lumborum and Piriformis injection)	
12:30-13:00	Congress Closing Ceremony
