7th National Conference

Emergency Medicine 2015

An essential conference for all
specialists in prehospital,
emergency and acute care

Kensington Close Hotel, London
22nd & 23rd January 2015

Benefits of attending Emergency Medicine 2014:

- Hear an update on the Keogh Review on Urgent and Emergency Care, and how this may impact on ambulance services
- Gain insights into how professionalisation is changing the paramedic role
- Assess current paramedic practice, including prehospital management of sepsis, spinal immobilisation, congenital heart conditions and breathing difficulties
- Evaluate the achievements and future challenges of the CEM10 priorities for emergency medicine
- Assess the best emergency medicine research papers of 2014
- Gain advice about optimising emergency management of head injuries, novel anticoagulants, adolescent substance misuse and CPR and post-resuscitation care
- Share and exchange ideas with the leading experts in the field

Follow us on Twitter: @MAHealthEvents
Tweet about the conference: #emed15

**DISCOUNTED
RATE AVAILABLE UNTIL
31ST OCTOBER 2014**

The emergency care system in the UK has been under increasing pressure over the last few years, and priorities are being put into place to overcome these challenges, for the good of patients and healthcare professionals.

Emergency Medicine 2015

will attempt to address some of these issues and will provide practical advice and ideas about how to optimise patient care in prehospital settings and the emergency department.

Who should attend?

It will be of particular interest to the following:

- Specialists in emergency medicine
- Specialists in acute medicine
- Paramedics and prehospital care specialists
- Specialists in trauma and orthopaedics
- Anaesthetists
- Specialists in critical care and intensive care
- General physicians
- Nurse specialists and practitioners in emergency medicine and acute care
- All trainees in these disciplines

Emergency Medicine 2015

An essential conference for all specialists in prehospital, emergency and acute medicine

Kensington Close Hotel, London
22nd & 23rd January 2015

Dear Colleague,

BOOK BEFORE 31st OCTOBER FOR DISCOUNTED RATE.

Now in its 7th year, Emergency Medicine 2015, has become an essential conference in the calendar of all healthcare professionals working in prehospital, emergency and acute medicine.

The emergency care system in the UK has been under increasing pressure over the last few years, and priorities are being put into place to overcome these challenges, for the good of patients and healthcare professionals.

This two day, CPD certified conference will attempt to address some of these issues, and will provide practical advice and ideas about how to optimise patient care.

Highlights will include:

- KEYNOTE ADDRESS: CEM 10 - achievements and future challenges, **Dr Clifford Mann**
- Keogh Review on Urgent and Emergency Care, **Martin Flaherty**
- Critical care in the prehospital environment, **Dr Matt Thomas**
- Prehospital response to sepsis, **Tracy Nicholls**
- Rapid response systems - what can be improved? **John Welch**
- What's new in CPR and post-resuscitation care? **Professor Gavin Perkins**
- Early management of head injury: summary of NICE guidance update, **Professor Fiona Lecky**

To view the full programme and for more information, visit:

www.mahealthcareevents.co.uk/emed2015

Yours sincerely,

Lisa Freeman

Lisa Freeman, Conference Manager
