Dear Colleague:

On behalf of the American Academy of Clinical Psychiatrists, CURRENT PSYCHIATRY, and the Duke University School of Medicine, we are pleased to invite you to the **encore presentation of our 2014 Psychiatry Update.**

This highly practical, educational meeting, which offers 2½ days of clinically useful information and up to 18 CME credits, is being **offered in Las Vegas for the first time!**

In our interactive, learning-focused format, nationally renowned faculty will provide best practice information specifically designed to address the everyday challenges of improving outcomes for your patients with:

- Psychotic disorders
- Mood and anxiety disorders
- Cognitive disorders
- Sleep disorders
- Sexual disorders
- Pain

The meeting will provide you with an outstanding opportunity for peer-to-peer learning and networking. With question and answers allotted for every session, there is ample time to share best practices and find solutions to your most difficult clinical challenges.

We hope you can join us in exciting Las Vegas and that you will mark your calendar for our 2015 meeting, April 16 - 18 in Chicago, where we will present all new content as well.

Richard Balon, MD
Meeting Co-Chair

ACCREDITATION INFORMATION

The American Board of Psychiatry and Neurology has reviewed the Current Psychiatry/AACP 2014 Psychiatry Update and has approved this program as part of a comprehensive CME program, which is mandated by the ABMS as a necessary component of maintenance of certification.

Who Should Attend: This activity is designed for general and geriatric psychiatrists, nurse practitioners, physician assistants, nurses, psychologists, social workers, and other mental health professionals interested in treating patients with mood, anxiety, psychotic, or substance-related disorders to remission with measurement-based care.

Credit Designation: The Duke University School of Medicine designates this live activity for a maximum of 18 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts AMA PRA Category 1 Credit(s)[™] from organizations accredited by the ACCME.

Nurse Practitioners: AANP accepts AMA PRA Category 1 Credit(s)[™] from organizations accredited by the ACCME.

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Duke University School of Medicine and the American Academy of Clinical Psychiatrists. The Duke University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Disclosure: The Duke University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee's and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

Resolution of Conflicts of Interest: In accordance with the ACCME Standards for Commercial Support of CME, the Duke University School of Medicine will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

Commercial Support Acknowledgment: This CME activity is supported by educational grants. A complete list of supporters will be published in the course syllabus.

LEARNING OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Recognize overlapping symptoms and devise an approach to address the individual patient's comorbidities
- Demonstrate a working knowledge of medication combinations and adjunctive therapies with the best evidence of efficacy for treatment-resistant symptoms
- Counsel patients on the links between psychiatric and metabolic conditions.

PSYCHIATRY UPDATE 2014

**SOLVING CLINICAL
CHALLENGES, IMPROVING
PATIENT CARE**

**THE VENETIAN/
PALAZZO
LAS VEGAS**

DECEMBER 11-13, 2014

Here's what your colleagues said about previous CURRENT PSYCHIATRY/AACP meetings:

"Wonderful meeting, informative—top-notch speakers."

*"Thank you! I appreciate the use of data and
the focus on actual clinical practice."*

*"Very clear and informative presentations. Salient points were
made concisely and clearly. I enjoyed the 3-day conference thoroughly.
It was very well organized and extremely informative and of great
practical and clinical relevance."*

"High-quality speakers, good crowd size, and diversity of opinions."

*"This was the best CME conference I've attended in a long time,
in terms of content and speaker skill and knowledge"*

*"Thought-provoking discussion of how we think
about disease, research, and data."*

*"Excellent course. Thank you for giving us enough room at the
tables—much more comfortable than other meetings."*

*"Really enjoyed it. The conference has been very positive.
I will come back and recommend it to colleagues. Thank you!"*
