Venue

Sree Balaji Medical College and Hospital
Chrompet, Chennai

Scientific Co partner:

Organised by Tamilnadu Chapter of
Indian Society for the Study of Pain

Welcome to ISSPCON-2015

Dear Friends,

Greetings from the Organizing Committee of ISSCON 2015, Chennai. It is our pleasure to cordially invite you to ISSPCON 2015 to be held between 5th to 8th, February, 2015 in Hotel Hyatt Regency, Chennai. This conference is the 30th annual conference of the Indian Society for Study of Pain and will be organized by the Tamil Nadu chapter of ISSP.

‘Conquer Pain with knowledge, skill and attitude’ will be the theme for ISSPCON 2015. Pain Medicine has been making rapid strides in India. As a young upcoming subspeciality, pain medicine will eventually take its rightful place among the various branches of medicine. The challenges that come in this process include increasing awareness about pain medicine, proper training in evidence based practice and formation of practice guidelines specific to the Indian population. The emphasis we need to make on basic research and proper training cannot be overstated. ISSPCON 2015 will provide an excellent opportunity to learn from and interact with the best minds in pain medicine in India and abroad.

We have arranged an excellent series of basic science lectures, how-I-do-it sessions, panel discussions and video demonstrations by the best speakers of the land. Fluoroscopy based workshops on cadavers and ultrasound based workshops on volunteers are available to get hands on training in pain interventions. The venue, Hotel Hyatt Regency is one of the best 5 star hotels located in the heart of Chennai. Chennai will have pleasant temperature during early February.

So all in all, there is academic extravaganza planned for the 3 days of the conference. If you are serious about pursuing pain medicine and want to learn more and keep yourself updated, be there. Welcome to ISSPCON 2015 in Chennai.

Regards,

Dr Ravi Krishna, Kalathur
Dr Karthic Babu Natarajan

Dr G.K Kumar
Dr Balamurugan B

On behalf of Tamilnadu Chapter of ISSP
