INTENSE REVIEW

The Westin River North

Chicago, Illinois
January 16 - 20, 2014

Oral Board Review
January 14 & 15, 2014
See inside for details

The Edge

Change and success run hand-in-hand, and ACOEP is not averse to change in order to remain a dynamic association. Through the years we've grown and developed, adapting to the times, responding to member input and, overall, evolving. It is this spirit of growth that inspired the name **Emerge** given to our Spring and Fall conferences—a name embracing a period of change, evolution, and maturation.

The journey of emergence has brought us to a precipice in emergency medicine, a place of unforeseen challenges and incredible opportunity. There is no roadmap as we journey into this uncharted territory; however as emergency physicians look to gain an edge, ACOEP will be a stalwart resource for its members.

It's this unique point that inspires our new branding of all ACOEP conferences under one bold heading:

The Edge. This is more than a name change and a new logo, **The Edge** is the inspiration and the foundation upon which our educational opportunities will be based.

“Never doubt that a small group of thoughtful people can change the world. For indeed it's the only thing that ever has.”

— Margaret Mead

To give you **an edge** to overcome new challenges; embrace **the cutting edge** of new technologies, opportunities and advancement; and journey together **to the edge**, generating creative thoughts, solutions and lasting advancement.

This concept will be our cornerstone as we plan conventions, find new topics and explore new opportunities for our attendees. We hope it will be your outlook as you arrive, ready to give yourself an edge in learning the unknown, and broadening your horizons.

What will unfold at ACOEP's 2014 Intense Review? Join us and see for yourself.

This premier educational event is your best opportunity to:

- Discuss the latest research in emergency medicine
- Learn about new technologies and trends in treatment
- Hear updates on the issues that affect our work today
- Explore ways to better your practice
- Share ideas and experiences with your colleagues
- Earn up to 42 hours of 1A CME credit
- Fully prepare to pass your Board Examinations

Intense Review Information

PROGRAM CHAIR

Victor Almeida, D.O., FACOEP

COURSE OBJECTIVE

This course provides an intense review of clinical problems encountered in the daily practice of emergency medicine, and assists physicians in their preparation to take the certification or recertification examination in emergency medicine. Each lecture is designed to add to participants' knowledge base, and to provide guidance in emergency department management. While the course is comprehensive, emphasis placed on each subject is commensurate with the published guidelines of the American Osteopathic Board of Emergency Medicine.

PROGRAM FORMAT

Attendees will have the opportunity to pick up course materials in advance on Wednesday, January 15 from 3:00 – 5:00 p.m. Materials will also be available for pick up each morning during breakfast, which is provided. Lectures begin early on Thursday, January 16, at 6:45 a.m. The remainder of the week, lectures begin at 7:30 a.m., and end between 5:00 and 6:00 p.m. The last lecture on Monday will end at approximately 1:45 p.m. The progress of each participant will be measured via administration of a pre and post-test (presented by Challenger Corp.) given on the first and last day of the program. There will be a two-hour period allowed for participants to take the post test examination on site, or the exam may be taken home and done individually.

The course includes all topics listed in the ACOEP's Core Curriculum for Emergency Medicine. Some topics will be covered in written format only. Speakers will place emphasis on topics listed as High (H) and Moderate (M) emphasis in the Core Curriculum. A case-based review of EKG's will also be provided. The Visual Stimulus Review will be on display Thursday through Monday. Attendees will have the opportunity to participate in this optional question and answer photo case review. The Visual Stimulus will also be available on an in-house hotel channel 24 hours a day for attendees staying at the Westin River North. Participants who attest to reviewing all cases will receive two-hours of additional CME credit.

SYLLABUS MATERIAL

Participants will receive their syllabus material in a paper binder format consisting of approximately 1,000 pages of printed material, unless a USB flash drive is requested. *Please note that the flash drive does NOT have note-taking capability.* ACOEP will provide power strips in the general session room. The syllabus will only be available to be picked up on-site. *Please note that registrations received after January 3 are NOT guaranteed a paper syllabus.* In the event that paper materials are no longer available, a flash drive will be provided.

SYLLABUS PURCHASE

Those unable to attend the course may purchase the syllabus for \$250. The syllabus will be mailed in late January and will contain information for the current program. Purchase of the syllabus does not grant any CME credit hours.

COURSE FEES

ACOEP Members

Active Physicians	\$1100
Resident Physicians	\$550

Non-ACOEP Members

Active Physicians	\$1300
Resident Physicians	\$650

Course material will be provided as a paper syllabus unless a USB flash drive is requested. If the participant wishes to have both media, an additional \$100 will be assessed.

CME CREDIT

The course is pending approval for 40-42 hours of Category 1A credit by the American Osteopathic Association and 40-42 hours of Category 1 credit by the American College of Emergency Physicians. The American Association of Physician Assistants accepts Category 1A CME from AOA-CCME providers, prescribed credit from AAFP, and AMA Category 1 CME for the PRA from organizations accredited by ACCME.

General Information

VENUE

The Westin River North
320 N Dearborn St
Chicago, IL 60654
(312) 744-1900
www.westinchicago.com

The Westin Chicago River North is centrally located in the heart of Chicago's business and theatre districts. It overlooks the Chicago River and is within walking distance of Michigan Avenue and State Street, shopping, and restaurants.

ACOEP has made arrangements for reduced nightly room rates of \$145 (plus tax) for single/double occupancy at the Westin Chicago River North. To secure this rate, individuals making hotel reservations should contact the hotel directly at 312-744-1900 prior to Friday, January 3, 2014 and identify themselves as participants in the ACOEP course. **The discounted rate will be available until January 3 OR until the room block sells out, so please make your reservations in advance.**

The Westin Chicago River North provides complimentary high-speed internet access in all guest rooms, complimentary health club privileges, discounted daily parking rates of \$15 per day and \$25 for overnight parking for ACOEP guests.

TRAVEL INFORMATION

ACOEP members qualify for reduced airfares with American

Airlines. To take advantage of the discount, use the code **3713BR** when booking travel arrangements.

Transportation is available by taxicab or hotel shuttle to and from Chicago's O'Hare and Midway airports to the Westin. Public transportation and taxicabs are highly recommended for travel in downtown Chicago, as parking is expensive. If you choose to rent a car, you may use the ACOEP discount codes listed below for additional savings. For local participants, daily parking is available in the hotel's parking lot.

Hertz: www.hertz.com
(800) 654-3131
Code: 1599019

Avis: www.avis.com
(800) 230-4898
Code: D757353

REGISTRATION

Online registration is available for the Oral Board Review and the Intense Review. Visit www.acoep.org and follow the steps to register. You may also register by phone, fax or mail using the registration form included at the end of the brochure.

Advanced registration is highly recommended to allow adequate course materials to be available to all registrants. Advanced registration ends January 3, 2014. **Registrations received after January 3 will be assessed an additional \$100 late fee to the registration fee.**

Oral Board Information

PROGRAM CHAIRS

Christopher Colbert, D.O., and
Tai Tran, D.O.

COURSE OBJECTIVE

This interactive course is designed to provide the tools to pass the oral board exams, whether you are studying for recertification or taking the exam for the first time. This one-day workshop features an orientation and examination overview, visual stimulus review, as well as a full day of mock testing sessions with board-certified examiners and cases developed to mimic the actual exam.

Due to limited class size, this course will be offered twice: on Tuesday, January 14 and again on Wednesday, January 15. Each course will be limited to 30 participants. *Please register in advance as they will sell out very quickly.*

CME CREDIT

The Oral Board Review is pending approval for 11 hours of Category 1A credit by the American Osteopathic Association. The American Association of Physician Assistants accepts Category 1A CME from AOA-CCME providers, prescribed credit from AAFP, and AMA Category 1 CME for the PRA from organizations accredited by ACCME.

COURSE FEES

ACOEP Member

Physicians \$500

Non-ACOEP Member

Physicians \$700
