

CONFERENCE INTRODUCTION

7:30 - 8:00 AM Registration/Breakfast

8:00 - 8:15 AM Opening Remarks (David Cone, MD, Department of Emergency Medicine, Yale School of Medicine, Editor, *Academic Emergency Medicine*)

University

8:15 - 8:45 AM Introduction: *Current State of Diagnostic Imaging in the ED* (Jennifer Marin, MD, MSc, Departments of Pediatrics and Emergency Medicine University of Pittsburgh School of Medicine /Angela Mills, MD, Department of Emergency Medicine, University of Pennsylvania Perelman School of Medicine)

8:45 - 9:30 AM Plenary Lecture: *Generation of Evidence and Translation into Practice: Lessons Learned and Future Directions* (Nathan Kuppermann, MD, MPH, Department of Emergency Medicine, University of California Davis School of Medicine)

9:30 -9:45 AM BREAK

9:45 AM - 11:30 AM BREAKOUT SESSION 1

Group 1
Clinical Decision Rules
for Emergency Diagnostic
Imaging

Group 2
Using Administrative Data for
Emergency Imaging Research

Group 3
Patient Centered
Outcomes
Research

11:45 - 12:45 PM LUNCH PANEL DISCUSSION
Policy Measures & Reimbursement

12:45 PM - 1:30 PM PLENARY
Imaging as a Quality Measure (Helen Burstin)

1:30- 3:15 PM BREAKOUT SESSION 2

Group 4
Training, Education, and
Competency

Group 5
Knowledge Translation and
Barriers to Image
Optimization

Group 6
Comparative Effectiveness Research:
Alternatives to Traditional
CT Use

3:15 - 3:30 PM BREAK

3:30 PM - 4:30 PM PANEL DISCUSSION
Funding Research for Diagnostic Imaging in Emergency Care

4:30 PM - 5:15 PM Plenary Lecture: Improving the Quality of
Imaging in the Emergency Department
(Craig Blackmore, MD, MPH, Department of Radiology
Virginia Mason Hospital and Seattle Medical Center)

5:15 PM - 5:30 PM WRAP-UP (*Jennifer Marin/Angela Mills*)

5:30 - 7:00 PM NETWORKING RECEPTION
