TARGET AUDIENCE

This program is designed for ophthalmologists and ophthalmology residents in the New York, New Jersey, and Pennsylvania areas.

NEEDS STATEMENT

The need for the conference was determined from examining the topics published in the recent scientific literature. Participants in the course will learn the most current concepts and practical tips for clinical practice in the following areas: Cataract, Cornea, Glaucoma, Neuro-Ophthalmology, Pediatric Ophthalmology and Retinal Disease.

OBJECTIVES

As a result of attending this program, participants will be better able to:

- ❖ Recognize pediatric retinal disorders.
- ❖ Know the proper neuroimaging test to order.
- ❖ Know the indications and prognosis for pediatric keratoplasty.
- ❖ Understand the proper techniques to stain, culture as well as biopsy the cornea.
- ❖ Understand the risks of vision loss in glaucoma.
- ❖ The proper selection of an IOL for a particular patient.
- ❖ Understand the value of wide field retinal imaging techniques.
- ❖ Understand the optimal surgical procedure for a wide array of corneal pathologies.
- ❖ Diagnose and manage ARMD, and diabetic retinopathy better.

ACCREDITATION STATEMENT

The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

SUNY Downstate Medical Center designates this live activity for a maximum of 15 AMA PRA Category 1 Credits™ (PND). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE

SUNY Downstate Medical Center Office of CME (OCME) and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. The OCME has established policies that will identify and resolve all conflicts of interest prior to this educational activity.
