

Conference Venue

Mercure Holland House Hotel & Spa
24-26 Newport Road, Cardiff CF24 0DD

The 4-star Mercure hotel is a modern hotel with 165 bedrooms situated in the vibrant capital city of Wales. Transport links by road, rail and air are excellent. All of the sights and attractions of Cardiff, including the iconic Millennium Stadium and Cardiff Castle are within walking distance. The Mercure is the biggest hotel conference facility in Cardiff.

Accommodation is available to delegates on Wednesday and/or Thursday night from the Society at a special discounted rate of £85 for B&B. Rooms in Cardiff are likely to be in short supply due to the Wales vs South Africa rugby match on Saturday 29th November. Delegates are advised to book early, to avoid disappointment.

Bed & Breakfast £85

(Double occupancy supplement £10)

VISIT THE MEETING WEBSITE FOR TRAVEL AND ACCOMMODATION DETAILS

Abstracts are invited for poster presentation of audits, case reports or research relating to Intravenous Anaesthesia. Abstracts should be submitted by e-mail to abstracts@siva.ac.uk by 1st October. Full instructions are on the meeting website.

Free registration will be offered to trainees and non-anaesthetists whose abstracts are accepted for presentation
