Breast Cancer Management 2014

Program Co-Directors:

Sheldon Marc Feldman, MD, FACS & Dawn L. Hershman, MD, MS

Friday, January 31, 2014
8:45am – 5:50pm

NewYork-Presbyterian/Columbia University Medical Center
Vivian and Seymour Milstein Family Heart Center
New York City

The College of Physicians and Surgeons designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™.

Breast Cancer Management 2014

This program will review the current state-of-the-art in breast cancer diagnosis and management, highlighting the key components of multidisciplinary treatment to include surgery, medical oncology, radiation, radiology, pathology, and psychology. Current understanding of screening, epidemiology and prevention strategies will be discussed. Emphasis will be given to emerging technologies which improve our ability to provide highly personalized breast cancer management through improved understanding of tumor biology and genetics. Active areas of most promising research and active clinical trials will be discussed.

The format of this program will consist of lectures and case studies. Expert faculty will serve on a breast cancer tumor board at the end of each session to interactively discuss the multidisciplinary perspectives on the evaluation and treatment of patients at high risk for breast cancer and those with early stage and advanced disease. Therapeutic interventions with areas of current clinical controversy will be highlighted.

Target Audience

This program has been designed for primary care physicians, obstetricians, gynecologists, internists, medical oncologists, radiation oncologists, gynecological oncologists, surgical oncologists, radiologists, nurses, and any other clinicians involved in the management and treatment of patients with breast cancer.

Learning Objectives

- Describe genetics, epidemiology, prevention, and novel risk biomarkers
- Discuss pathological features of Ductal Carcinoma In Situ (DCIS) and other high risk lesions
- Identify optimal multidisciplinary approaches allowing patients to achieve successful breast conservation
- Define optimal breast surveillance and advances in screening patients including mammography, MRI, and ultrasound

- Explain methods for minimally invasive biopsy techniques and preoperative tumor localization
- Define oncoplastic surgical approaches to allow for successful cancer control while maintaining normal breast appearance including nipple sparing mastectomy
- Discuss promising techniques for non-surgical breast tumor ablation
- Summarize the newest advances in breast reconstruction
- Evaluate sentinel node biopsy and current management of the axilla
- Identify novel targets for systemic therapy
- Assess recommendations for adjuvant systemic chemotherapy and hormonal therapy
- Outline the role of individual tumor assessment using genetic analysis to allow for personalized approach to systemic therapy recommendations
- Describe the latest advances in radiation therapy approaches including intraoperative radiotherapy
- Evaluate special breast cancer considerations in young women

Accreditation

The College of Physicians and Surgeons of Columbia University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

The College of Physicians and Surgeons designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses, Physician Assistants, and Technicians are encouraged to check with their accrediting organization to ensure they accept *AMA PRA Category 1 Credits™*.

Support

We expect support for this program through grants from pharmaceutical and medical device companies.

Program Agenda

8:45am	Registration & Vendor Exhibits
9:45am	Welcome & Introductions – Sheldon Marc Feldman, MD, FACS & Dawn L. Hershman, MD, MS
	Session 1: Breast Cancer and Imaging Basics <i>Moderator: Ralph Wynn, MD</i>
9:50 – 10:15am	Clinical Features/Natural History of Breast Cancer – Preya Ananthakrishnan, MD
10:15 – 10:40am	Mammography Screening – Ralph Wynn, MD
10:40 – 11:10am	Advanced Imaging: Ultrasound, MRI, isotope scan – Lauren Friedlander, MD
11:10 – 11:45am	Minimally Invasive Biopsy and Tumor Localization – Victoria Mango, MD
11:45am – 12:00pm	Question & Answer
12:00 – 12:45pm	Lunch Session 2: High Risk/Early Stage Breast Cancer <i>Moderator: Dawn L. Hershman, MD, MS</i>
12:45 – 12:50pm	Case Presentation – Adewuni Seyi Ojo, MD
12:50 – 1:20pm	Risk Assessment: Genetics and prevention – Katherine D. Crew, MD, MS
1:20 – 1:50pm	Pathology Features: Atypia, LCIS, DCIS – Hanina Hibshoosh, MD
1:50 – 2:20pm	Surgical Approach/Tumor Ablation – Margaret Chen, MD, FACS
2:20 – 2:50pm	Medical Approach: Adjuvant therapy – Kevin Kalinsky, MD, MS
2:50 – 3:15pm	New Novel Radiation Options – Daniela Gidea-Addeo, MD
3:15 – 3:30pm	Question & Answer
3:30 – 3:45pm	Break
	Session 3: Advanced Disease <i>Moderator: Bret Taback, MD</i>
3:45 – 3:50pm	Case Presentation: Young Patient – Adewuni Seyi Ojo, MD
3:50 – 4:15pm	Special Considerations for Young Patients: Fertility – Janet Choi, MD
4:15 – 4:40pm	Surgical Approach/Management of Axilla – Sheldon Marc Feldman, MD, FACS
4:40 – 5:10pm	Breast Reconstruction in 2014: Where we are and where we are going – Jeffrey A. Ascherman, MD, FACS
5:10 – 5:40pm	Targeted Systemic Therapy – Matthew A. Maurer, MD, MS
5:40 – 5:50pm	Question & Answer
5:50pm	Closing Remarks

NewYork-Presbyterian/Columbia Faculty

Preya Ananthakrishnan, MD

Assistant Professor of Clinical Surgery
Division of Breast Surgery
Columbia University College of
Physicians and Surgeons
Associate Director, Breast Fellowship

Jeffrey A. Ascherman, MD, FACS

Professor of Clinical Surgery
Columbia University College of
Physicians and Surgeons
Chief, Division of Plastic Surgery

Margaret Chen, MD, FACS

Assistant Professor of Clinical Surgery
Division of Breast Surgery
Columbia University College of
Physicians and Surgeons

Janet Choi, MD

Assistant Professor
Obstetrics and Gynecology
Columbia University College of
Physicians and Surgeons
Center for Women's Reproductive Care

Katherine D. Crew, MD, MS

Assistant Professor of Medicine and
Epidemiology
Columbia University College of
Physicians and Surgeons

Sheldon Marc Feldman, MD, FACS

(Course Co-Director)
Vivian L. Milstein Associate Professor of
Clinical Surgery
Columbia University College of
Physicians and Surgeons
Chief, Division of Breast Surgery

Lauren Friedlander, MD

Assistant Professor of Radiology
Columbia University College of
Physicians and Surgeons

Daniela Gidea-Addeo, MD

Assistant Professor of Radiation Oncology
Columbia University College of
Physicians and Surgeons

Dawn L. Hershman, MD, MS

(Course Co-Director)
Associate Professor of Medicine
and Epidemiology
Columbia University College of
Physicians and Surgeons
Co-Director, Breast Cancer Program
Herbert Irving Comprehensive
Cancer Center

Hanina Hibshoosh, MD

Professor of Pathology and Cell Biology
Columbia University College of
Physicians and Surgeons

Kevin Kalinsky, MD, MS

Assistant Professor of Medicine
Columbia University College of
Physicians and Surgeons

Victoria Mango, MD

Assistant Professor of Radiology
Columbia University College of
Physicians and Surgeons

Matthew A. Maurer, MD, MS

Assistant Professor of Medicine
Columbia University College of
Physicians and Surgeons

Adewuni Seyi Ojo, MD

Clinical Breast Surgery Fellow
Columbia University College of
Physicians and Surgeons

Bret Taback, MD

Assistant Professor of Surgery
Columbia University College of
Physicians and Surgeons
Director, Melanoma and Sarcoma
Program
Director, Breast Fellowship

Ralph Wynn, MD

Associate Professor of Radiology
Director of Breast Radiology
Columbia University College of
Physicians and Surgeons

Meeting Location

NewYork-Presbyterian/
Columbia University Medical Center
Vivian and Seymour Milstein Family Heart Center
Myra L. Daniels Auditorium
173 Fort Washington Avenue
New York, New York 10032

Local Area Hotels

For a listing of local area hotels, please visit www.ColumbiaSurgeryCME.org and select Breast CME

Subway

Take the 1, A, C lines to 168th Street
– Washington Heights/Broadway

Parking

Parking is available at the NewYork-Presbyterian/Columbia University Medical Center parking garage, located on the southwest corner of Fort Washington Avenue and West 165th Street. Parking fee is NOT included with registration.

Program Administrator

Deborah Schwarz, RPA, CIBE
Executive Director and
Chief Communications Officer

Phone: 201-346-7009 • Fax: 201-346-7011
E-mail: njs2144@columbia.edu

Payment Method

If you would like to claim CME credits, there is a \$75 registration fee. If you do NOT plan to claim CME credits, there is a fee of \$25 to attend the program.

Online:

To register online or to make an online CREDIT CARD PAYMENT please visit: www.ColumbiaSurgeryCME.org. For security purposes, credit card payments cannot be accepted in the mail or by phone.

By Mail:

Complete the attached registration form and mail together with full payment, either check or money order made payable to Columbia University Department of Surgery. Checks must be in U.S. dollars drawn on a U.S. bank.

Mail To:

Columbia University Medical Center
ATTN: Breast Management CME Coordinator
Department of Surgery, External Affairs
400 Kelby Street, 11th Floor
Fort Lee, NJ 07024

Registration

Please register me for the continuing medical education program entitled:

Breast Cancer Management 2014

Friday, January 31, 2014

Space is limited, early registration is highly encouraged

- ☐ I plan to claim CME credits for a registration fee of \$75.00
- ☐ I do NOT plan to claim CME credits for a registration fee of \$25.00

Please print or type

First Name M.I. Last Name Degree(s)
