INSTITUTE FOR ADVANCED
MEDICAL EDUCATION

The Winter-
Spring 2014

USRA Skills Course

Whether you are new to regional anesthesia, new to ultrasound guidance or are looking for a solid refresher, you can be assured of leaving **The USRA Skills Course** with practical knowledge and abilities that will benefit your practice for years to come. With our newly modified 2014 program you may want to join the many other attendees who have repeated the course.

Educational Objectives

After attending the course you will:

- Understand the principles of ultrasound imaging
- Define the common steps in performing an ultrasound-guided nerve block
- Understand the basics of ultrasound-guided continuous perineural catheters, including indications and proper technique
- Integrate ultrasound-guided nerve blocks into your clinical practice
- Understand the important role of an ambulatory catheter program, including the risks and benefits, and the key steps involved in organization
- Achieve improved patient outcomes through the successful adoption of regional anesthesia practice

Target Audience

- Anesthesiologists
- Pain Management Specialists
- CRNAs

Faculty

Steven R. Clendenen, MD

Director, Regional Anesthesia
Mayo Clinic
Jacksonville, FL

Jeff Gonzales, MD, MA

Assistant Professor
Duke University Medical Center
Durham, NC

Gregory V. Hickman, MD

Medical Director and Director of Anesthesia
Andrews Institute ASC
Gulf Breeze, FL

J. Brandon Winchester, MD

Regional Anesthesia Fellowship Director
Andrews Research & Education Institute
Gulf Breeze, FL

Note: The faculty will be joined by additional physician and technical preceptors for personalized instruction during the hands-on sessions.

Accreditation

The Institute for Advanced Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Institute for Advanced Medical Education designates this live activity for a maximum of *12 AMA PRA Category 1 Credits*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Each participant will be awarded a Certificate of Attendance showing Category 1 credits earned in the course. Many attendees will find this useful for submission to credentialing boards, managed care organizations and accreditation bodies.

Certified Registered Nurse Anesthetists (CRNAs) may submit their CME award through the Nonprior Approval Process to earn CE credits through the AANA.

Application has been submitted to the ASA for inclusion of The USRA Skills Course in the ASRA ASA Learning Portfolio
