09:20 - 10:45 pm	Cutaneous Manifestations of Systemic Diseases Dr. Mohamed Fouad Omar Consultant - Dermatology Burjeel Hospital - Abu Dhabi
10:45 - 11:15 pm	Discussion

Learning Objectives

Upon completion of this educational activity, participants should be able to:

- Know the skin manifestations of different systemic diseases
- Stress on the importance of these changes that may indicate an internal ailment long before its classical signs and symptoms appear
- Identify these changes and raise their index of suspicion allowing them to diagnose these diseases as early as possible

Target Audience:

- Dermatologists
- Internists
- Oncologists
- Pediatricians
- Family Physicians
- Residents

Accreditation:

This activity is accredited by
Health Authority – Abu Dhabi
for **2.0 CME Category 1**
Credit Hours
