

Congestive Heart Failure Update

**Saturday
December 7, 2013**

Eric P. Newman Education Center
Washington University Medical Center

Course Chair
Edward M. Geltman, MD, FACC

Presented By
The Cardiovascular Division
Washington University School of Medicine

Jointly Sponsored By
Washington University School of Medicine Continuing Medical Education
and The Heart Failure Network

LEARNING & PERFORMANCE OBJECTIVES

This course is designed for cardiologists, cardiac surgeons, internists, primary care physicians, nurse practitioners, physician assistants and pharmacists to increase the awareness of the advancements made in CHF and atrial fibrillation so that patients can be managed more effectively. The intended result of this activity is increased competence, knowledge, enhanced performance and improved patient outcomes. Upon completion of this course attendees should be able to:

- Discuss the pathophysiology of HFpEF
- Describe the treatment options for HFpEF
- Explain the differences in treatment strategy between HFpEF and HFrEF
- Outline the treatment options for managing ventricular tachycardia
- Explain the benefits of ventricular tachycardia ablation strategies
- Describe the different pacing/defibrillators strategies for ventricular tachycardia
- Explain the comparative benefits of cardiac MRI, CT, SPECT and Echo
- Outline the options for stress testing in concert with imaging
- Explain methods for assessing myocardial viability with various imaging techniques
- Describe the appropriate patients for LVAD implementation
- Discuss the selection criteria for heart transplantation
- Outline the treatment strategies for patients with acute decompensated CHF
- Explain the treatment options for anticoagulation in patients with CHF

Jointly Sponsored by:

GUEST FACULTY

Margaret M. Redfield, MD, Professor of Medicine, Cardiovascular Division
Mayo Clinic, Rochester, Minnesota

WASHINGTON UNIVERSITY SCHOOL OF MEDICINE ACTIVITY FACULTY

Gregory A. Ewald, MD, Associate Professor of Medicine
Chief, Clinical Cardiology; Director, Section of Heart Failure and Cardiac Transplantation

Edward M. Geltman, MD, FACC, Professor of Medicine, Cardiovascular Division
Medical Director, Cardiac Diagnostic Lab
Director, Heart Failure Program, Barnes-Jewish Hospital

Ronald J. Krone, MD, John E. Simon Scholar in Medicine
Professor of Medicine (Cardiology)

Timothy W. Smith, MD, Associate Professor of Medicine, Cardiovascular Division

Pamela K. Woodard, MD, Professor of Radiology

AGENDA

- 7:30am** *Registration & Continental Breakfast*
- 8:00** **Welcome and Introduction** - Dr. Geltman
- 8:05** **Heart Failure with Preserved Ejection Fraction: Pathophysiology and Management** - Dr. Redfield
- 9:00** **Management of Ventricular Tachycardia in Patients with CHF** - Dr. Smith
- 9:30** **Advances in Imaging of Patients with CHF**
Dr. Woodard
- 10:00** *Refreshment Break and Exhibits*
- 10:30** **Chemotherapy and Heart Failure** - Dr. Krone
- 11:00** **How to Evaluate a Patient for Referral for Advanced Heart Failure Management** - Dr. Ewald
- 11:30** **Case Presentations and Panel Discussion**
Dr. Geltman and Faculty
- 12:30pm** *Concluding Remarks & Adjourn*

ACCREDITATION: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Washington University School of Medicine, Continuing Medical Education and the Heart Failure Network. Washington University is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT: Washington University designates this live activity for a maximum of **4 AMA PRA Category 1 CreditsTM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY: It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All presenters participating in this activity are expected to disclose to the audience any financial interest or other relationship (1) with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation and (2) with any commercial supporters of the educational activity.

This activity is supported in part by educational grants from various commercial organizations. A complete list of commercial supporters and contributors will be available at the time of the conference.

Some companies may also exhibit.
