CONFERENCE DESCRIPTION

Our **15th Annual Summer Conference on Women's Health** is designed to provide the most current clinical information to healthcare professionals involved in caring for women. The primary goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based and practical information to participants.

You are sure to enjoy our **15th Annual Summer Conference on Women's Health** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of the Napa Valley.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Evaluate breast lumps and diagnose breast cancer
- Distinguish pharmacokinetic (PK) versus pharmacodynamic (PD) interactions in supplement-drug interactions
- Identify inherent insulin resistance typically present in PCOS patients
- Develop treatment strategies for patients with urinary incontinence
- Identify best exercise options for pregnant patients

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a *provider* of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Each participant should only claim credit commensurate with the extent of their participation in the activity.

Certificates of credit will be given to participants on-site at the conclusion of the conference.

This CME activity meets the requirements under the California Assembly Bill 1195, continuing education and cultural and linguistic competency.

CONFERENCE LOCATION

California's wine country offers scenic countryside, great wines and superb restaurants. **With over 450 wineries offering a variety of wines for all tastes, it's no wonder that the Napa Valley is considered the heart of the American wine industry.** Located approximately 50 miles north of San Francisco, there is much more to Napa than just its grapes! **Enjoy hot-air ballooning, horseback riding, mountain biking, hiking, or playing golf amid the vineyards.** Find incredible discounts on your favorite brand-names at the Napa Premium Outlets or visit Old Town for more unique shopping. Visit the recently restored Napa Valley Opera House for music headliners. It might be wine that comes to mind when thinking of the Napa Valley, but with world-renowned restaurants, such as *The French Laundry*, it's the food that will lead you to a happy stomach and heart. With so much to do, you'll find that fine wine is only a part of this abundant valley.

If the Napa Valley isn't enough to keep your interest, San Francisco, with Fisherman's Wharf, Chinatown and famous cable cars, is just an hour away; Muir Woods National Monument is a mere 45 minutes away; or the kid inside you will love the excitement of Six Flags Amusement Park, located just 20 minutes away.

The **Napa Valley Marriott Hotel & Spa** combines modern convenience with traditional comfort. Exercise at the state-of-the-art fitness center, or enjoy "The Spa," one of the best full-service spas in the Napa Valley. Enjoy the cuisine at VINEleven, the hotel's indoor/outdoor restaurant and bar, specializing in small and shared plates, and featuring an amazing list of Napa Valley's finest wines.

Whatever your pleasure, you are sure to find it at our **15th Annual Summer Conference on Women's Health** in Napa, California!

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
