DINING ABOARD SHIP

When you make your cruise reservations, you can request either the **6:00pm Main, 8:30pm Late or Flexible Select Dining** (see details about **Flexible Select Dining** below) dinner seating (**Note: The 6:00pm Main dining fills early and your time of dinner seating cannot be guaranteed**). Please inform us if you or your guests have any special food or dietary requirements and inform us of other cruise passengers (**not guests in your cabin**) with whom you would like to sit with at dinner for Main and Late seating only. **Your final dining assignment will be indicated in your eDocs unless your preferred dining time is not available, in which case you will be waitlisted.** If you are waitlisted, you can go to the Guest Relations Desk once you get onboard the ship to see if you can change your dinner seating time.

The Flexible Select Dining is a flexible dining option. With this option, you can be seated for dinner in the main dining room at any time between 6:00-9:30pm, or you can make reservations to dine at any time that you choose within that time frame. Reservations can be made up to four days prior to July 18, 2014, or can be made on the ship and are strongly encouraged.

On your cruise, you can expect **two formal and five smart casual dress nights**. Complimentary room service is also available 24 hours a day.
