Florida
CHAPTER

The 33rd Annual Perspectives on New Diagnostic and Therapeutic Techniques in Clinical Cardiology

January 31 – February 2, 2014

Program Director: C. Richard Conti, MD, MACC

Co-director: Jamie B. Conti, MD, FACC, FHRS

Authorities in cardiovascular medicine gather for this meeting to present new diagnostic and therapeutic techniques in clinical cardiology. This information is becoming increasingly complex, expensive, and sometimes confusing because of conflicting clinical trials. Presentations will directly benefit patient care as applying trial data to individuals is difficult. The goal of this program is to discuss new clinical information and critically evaluate its role in the care of the individual patient in order to provide the proper perspective for those who care for cardiovascular patients.

The formal presentations will be concise, and time will be allowed for commentary and audience participation. As in the past, we will have several hours of panel discussions and case presentations.

Who Should Attend?

- Cardiovascular specialists
- Electrophysiologists
- Internists
- Family physicians
- Cardiovascular nurses
- Physician assistants
- Fellows-in-training
- Nurse Practitioners

Program Objectives

Upon completion of this program, attendees should be able to:

EXPLAIN early repolarization (physiologic and pathologic)

REVIEW ventricular tachycardia storm, occurrence, management, and outcomes

RECOGNIZE the clinical importance of the ECG which will be presented for panel discussion and audience participation

DESCRIBE the clinical indications and outcomes for TEE cardioversion

REVIEW indications for atrial fibrillation ablation therapy and provide realistic results for this approach to management of this problem

ILLUSTRATE the various aspects of cardiac resynchronization therapy

APPRAISE fractional flow reserve (actual and virtual)

SUMMARIZE the current recommendations for the use of old and new anticoagulants and antiplatelet agents in atrial fibrillation

ANALYZE the management and clinical significance of hypothermia in patients with acute myocardial infarction and cardiac arrest

DEVELOP a rationale for renal sympathetic denervation for refractory hypertension

EVALUATE the progress in patients with "refractory hypertension"

IMPROVE risk management in patients with cardiovascular disease (for credit)

DEVELOP understanding of who to refer for Transcatheter Aortic Valve Replacement (TAVR)

APPLY clinical usefulness of cardiac magnetic resonance imaging in patients with C.V. disease

REPORT clinical observations in patients with atypical cardiomyopathies

**ATTEND a special session on
risk management in patients with
cardiovascular disease (for credit)**

The 33rd Annual
Perspectives on

New Diagnostic and Therapeutic Techniques in Clinical Cardiology

Registration Form

Fee

Early registration saves \$100 in each member category. See the application for details. Your registration fee will be confirmed by e-mail only. The registration fee includes the continental breakfasts, breaks, and syllabus.

The deadline to register in advance is January 3, 2014. After this date, you must register onsite, and a \$100 processing fee will apply. Please be aware that date of postmark does not indicate date of receipt.

Cancellations

Cancellation, substitution, or transfer to another course is allowed if written cancellation is received 4 weeks before a scheduled course. A full refund minus a \$100 processing fee will be given for written cancellations received fewer than 4 weeks before the first day of the program. No refund will be given for no-shows.

In the unlikely event that the program is cancelled, the College will refund the registration fee in full but is not responsible for any travel or hotel costs you may incur.

4

Easy Ways to Register

Please use ONE of these methods:
(Do not mail if previously faxed or telephoned)

SECURE ONLINE REGISTRATION

www.foundationaccfl.org

MAIL application and payment
to: Florida Chapter, American
College of Cardiology
3208 East Colonial Drive
Suite 264
Orlando, FL 32803

PHONE toll free:
877-793-8171

FAX: 888-637-2405

Last Name _____

First Name _____
(as you wish it to appear on a badge)

☐ MD ☐ DO ☐ PhD ☐ RN ☐ PharmD ☐ Other _____

Address _____

City _____ State _____ Zip Code _____

Office Phone _____ Fax _____

E-mail _____

(without e-mail you will not receive confirmation of registration)

What is your primary medical specialty? (Check ONE)

- ☐ Adult Cardiology ☐ Pediatric Cardiology ☐ CV Surgery
☐ Internal Medicine ☐ Pharmacology ☐ Radiology
☐ Family/General ☐ Other (specify) _____

Special Needs

☐ If you have a physical or dietary restriction and need accommodation, the Foundation office needs to know the specifics of your need at least two weeks in advance of the conference so we can plan accordingly. Please call the chapter office at 877-793-8171 and check here.

Registration Fees

	On or Before Jan. 3	After Jan. 3
ACC Member Physician	☐ \$490	☐ \$590
Nonmember Physician	☐ \$575	☐ \$675
Cardiac Care Team*	☐ \$335	☐ \$435

*Members of the cardiac care team receive this special discounted rate and include the following:

- ☐ Fellow in Training ☐ Resident ☐ Nurse
☐ Physician Assistant ☐ Technologist ☐ Emeritus ACC Member

Payment must accompany application.

- ☐ Check payable to The Foundation of the Florida Chapter of the American College of Cardiology in U.S. dollars drawn on a U.S. bank.
☐ Visa ☐ MasterCard (We regret we cannot accept American Express.).

Cardholder's Name _____

Credit Card Number _____

Exp. Date _____ Three digit security code _____

Cardholder's Billing Address ☐ Same as address above

Cardholder's Street Address _____

Cardholder's City _____ State _____ Zip Code _____

Cardholder's Daytime Phone Number _____

Perspectives 2014

A Magical Weekend for Your Entire Family

Disney's Contemporary Convention Center is located inside Walt Disney World® and offers complimentary transportation between the hotel and Magic Kingdom® Park, Epcot®, Disney's Hollywood Studios™, and Disney's Animal Kingdom® Theme Parks. For advance purchase of specially-priced Disney PARK HOPPER® Meeting/Convention theme park tickets, exclusive to meeting/convention guests and family members, visit: www.mydisneymeetings.com/flcacc2014 or call (407) 566-5600 to purchase tickets and state that you will be attending the Florida Chapter of America College of Cardiology Foundation Program. These are special meeting/convention Disney Park Hopper tickets (10% reduced rate) that are unavailable for purchase at the front gates of the theme parks.

There are also five golf courses and 20 tennis courts available at the Walt Disney World®. There are several other attractions located within the greater Orlando area. Orlando International Airport is approximately 30 minutes from the hotel.

Accommodations

To secure your room at Disney's Contemporary Hotel, please call the Group Reservations Office at (407) 939-4686 *and state that you will be attending the Florida Chapter American College of Cardiology Foundation program*. The standard room (two queen beds and one day bed) rate is \$211.00 per night plus applicable taxes for single/double occupancy. Group rates will be based on availability three days prior to January 30, 2014 and three days post February 2, 2014. Taxes are subject to change. (Additional persons 18 and older, add \$25 per person per night.) The hotel room block is scheduled to be held until Monday, December 30, 2013, but may be sold out before this date. Therefore, we advise you to register for the program and reserve your lodging as soon as possible. When you make your reservation, please be sure to ask about any additional fees, early departure fees, or cancellation penalties.

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you.

FRIDAY JANUARY 31

- 7:00 AM Registration/Continental Breakfast/Exhibits Open
7:50 AM Welcome, Introduction, Course Objectives, General Information
Dr. C. Richard Conti and Dr. Jamie B. Conti
Dr. C. Richard Conti, Presiding

Electrophysiology & Arrhythmias

- 8:00 AM Panel Discussion: ECG Unknowns: What is the clinical presentation?
Panel Moderator: *Dr. W. Miles*
Panelists: *Drs. M. McKillop, T. Burkart, J. Conti, M. Jansen, and C.R. Conti*
- 9:30 AM Early Repolarization on the ECG- Physiologic and Pathologic Possible Mechanisms — *Dr. M. McKillop*
- 10:00 AM Atrial Fibrillation: TEE Cardioversion Indications Plus Use of Anti-Arrhythmics vs. Use of Antiarrhythmics Alone — *Dr. M. Jansen*
- 10:30 AM **Break/Exhibits Open**
- 11:00 AM Atrial Fibrillation: Anticoagulants Bleeding and Stroke Rate with Old and New Anticoagulants — *Dr. T. Burkart*
- 11:30 AM Panel Discussion: Atrial Fibrillation
Panel Moderator: *Dr. T. Burkart*
Panelists: *Drs. M. McKillop, J. Conti, and C.R. Conti*
- 12:00 PM VT Storm: Occurrence, Mechanisms, and Current Management Including VT Ablation and Left Stellate Ganglionectomy — *Dr. W. Miles*
- 12:30 PM Cardiac Resynchronization Therapy: Indications, Results, and Complications-What Does the Future Hold for Devices — *Dr. J. Conti*
- 1:00 PM Concluding Remarks — *Dr. C.R. Conti*

SCHEDULE

SATURDAY FEBRUARY 1

7:00 AM Registration/Continental Breakfast/
Exhibits Open
Dr. C. Richard Conti, Presiding

**7:00 AM Medical Errors and Risk Management
of Cardiovascular Disease
– Dr. E. Handberg**

Ischemic Heart Disease

- 8:00 AM Ultrasensitive Troponin-Use in the E.D.
for Chest Pain Patients-Will this Drive us
Crazy? — *Dr. Winchester*
- 8:30 AM Acute Myocardial Infarction and
Hypothermia in Cardiac Arrest Survivors-
Indications, Techniques, Results —
Dr. C. Choi
- Commentary: Potential Complications—
Dr. C. R. Conti
- 9:00 AM Fractional Flow Reserve-Real and Virtual.
If FFR is positive and MPs are Negative,
Which One Prevails? — *Dr. A. Bavy*
- 9:30 AM Management of Unprotected Left Main
Coronary Artery Diagnosis (PCI Stent or
CABG) in 2014 — *Dr. A Bavy*
- 10:00 AM Stress Echo: Appropriate use for evaluation
of Ischemic Heart Disease and Valvular
Heart Disease — *Dr. J. Petersen*
- 10:30 AM Break/Exhibits Open**

Hypertension

- 11:00 AM Renal Sympathetic Denervation for
“Refractory” Hypertension
— *Dr. R.D. Anderson*
- 11:30 AM Prognosis of Patients with Refractory
Hypertension — *Dr. C. Pepine*

Valvular Heart Disease

- 12:00 PM Transcatheter Aortic Valve Replacement
(TAVR) — *Dr. R.D. Anderson*
- 12:30 PM Ischemic Mitral Regurgitation—Now What?
— *Dr. C. Klodell*
- 1:00 PM Concluding Remarks — *Dr. C.R. Conti*

SUNDAY FEBRUARY 2

7:00 AM Registration/Continental Breakfast/
Exhibits Open
Dr. C. Richard Conti, Presiding

**7:00 AM Medical Errors and Risk Management
of Cardiovascular Disease
– Dr. E. Handberg**

Imaging

- 8:00 AM Cardiac MR-Interesting Clinical Cases —
Drs. J. Petersen and C. Schmalfuss
- 9:00 AM Selected Adult Congenital Heart Disease
Cases-Who Needs Referral to a CHD
Center? — *Dr. D. Moguillansky*

Heart Failure

- 9:30 AM Atypical Causes of Cardiomyopathy-
Peripartum Cardiomyopathy, Amyloid,
Sarcoid, Hemochromatosis, and
Chemotherapy — *Dr. A. Szady*
- 10:00 AM Break/Exhibits Open**
- 10:30 AM Advanced Heart Failure Therapy Cases-
(What is Advanced Heart Failure Therapy?)
— *Dr. Hill*
- 11:00 AM Panel Discussion: Questions from
Audience and Faculty
Panel Moderator: *Dr. C.R. Conti*
Panelists: *Drs. J. Petersen, C. Schmalfuss,
D. Moguillansky, A. Szady, J. Hill,
D. Winchester, and C. Choi*
- 12:00 PM Concluding Remarks — *Dr. C.R. Conti*

Accreditation

This program has been submitted for up to 13 Prescribed hour(s) by The American Academy of Family Physicians. AAFP Prescribed credit is accepted by The AMA as equivalent to AMA PRA Category I for The Physicians' Recognition Award. When applying for the AMA PRA, Prescribed hours earned must be reported as Prescribed hours, not as Category I. (This statement applies to all Physicians, not just Family Physicians).

This program has been submitted to the Florida Board of Nursing for approval. Approval of 13 contact hours is pending.

While offering CME credits noted above, the program is not intended to provide extensive training or certification in the field.
