

44th Annual Carrie Tingley Hospital Winter Conference

**Cerebral Palsy: Static Injury,
Dynamic Deformities**

January 24 & 25, 2014

**UNM Domenici Center for Health Sciences Education
Albuquerque, NM**

Presented by:

**University of New Mexico Carrie Tingley Hospital and the
University of New Mexico School of Medicine, Department of Orthopaedics
and Rehabilitation and the Office of Continuing Medical Education**

Conference Information

Diagnosis and treatment for children with cerebral palsy is central to our mission to care for the children of New Mexico. UNM Carrie Tingley Hospital provides care for children with cerebral palsy by means of medical and surgical care, physical and occupational therapy, orthotics, and social and psychological support. This conference focuses on diagnosis of cerebral palsy and treatment of common problems as well as monitoring for orthopaedic issues that require consultation. Papers will be presented detailing results of research efforts at UNM Carrie Tingley Hospital.

Who Should Attend

The conference will be appropriate and recommended for any orthopaedic surgeon, pediatrician, family practice doctor, therapist, orthotist, or other practitioner who evaluates and/or treats children with cerebral palsy. Nurses, nurse practitioners, physical therapists, occupational therapists, caregivers and physician assistants will find the course material helpful in improving general knowledge.

Objectives

At the conclusion of the course, participants should be able to:

- 1) Explain the definition of cerebral palsy and possible causes.
- 2) Understand when an orthopaedic assessment is indicated.
- 3) Understand surgical and nonsurgical treatment for children with cerebral palsy.
- 4) Understand the need for a multi-disciplinary team approach.
- 5) Understand research advances at Carrie Tingley Hospital and UNM.
