

6TH ANNUAL WINTER HIP & KNEE COURSE VAIL, CO | JANUARY 16–19, 2014

Dear Colleague,

As Course Directors of the 6th Annual Winter Hip & Knee Course, we are thrilled to invite you to join us for this year's educational event!

With a focus on primary replacement, revision hips and knees, and major healthcare issues faced by the orthopaedic surgeon, this course will examine virtually every aspect of joint arthroplasty including issues related to the perioperative environment, thrombosis, wound and pain management, and economics. Each of these educational areas is timely and central to the orthopaedic surgeon's effort to maintain surgical excellence while navigating the evolutionary changes taking place throughout the healthcare system.

This 4-day course continues to be a great success every year, drawing an audience of over 200 surgeons, and offers attendees an opportunity to:

- Experience multimodal learning, including live surgery, cadaver labs, case-based learning, coding workshops, video vignettes, and audience interaction
- Engage with a faculty panel of global experts
- Earn over 20 CME credit hours

We look forward to seeing you in Vail!

Raymond H. Kim, MD
Course Chairman

AGENDA

THURSDAY, JANUARY 16 | KNEE

7:30 AM	Breakfast & Registration
8:00 AM	Treating the Arthritic Knee in 2014
8:50 AM	Break
9:20 AM	Live Surgery: Unicondylar Knee Arthroplasty
10:45 AM	Adjourn
11:00 AM	Expert Panel: Knee Case Consultation
12:00 PM	Lunch
12:30 PM	Cadaveric Lab Session: Knees
3:00 PM	Break
3:30 PM	Prosthetic Advancements in Total Knee Arthroplasty (TKA)
5:00 PM	Break
5:30 PM	Primary TKA Case-based Presentations
6:00 PM	Controversies in TKA
7:30 PM	Adjourn

FRIDAY, JANUARY 17 | KNEE

7:30 AM	Breakfast
8:00 AM	Revision TKA
9:15 AM	Break
9:45 AM	Live Surgery: Revision TKA
11:45 AM	Adjourn
12:00 PM	Lunch
12:30 PM	Orthopaedic Coding Course
3:45 PM	Revision Case Presentations
5:15 PM	Break
5:45 PM	Improving Patient Outcomes
6:40 PM	Efficiency and Economics
7:30 PM	Adjourn

SATURDAY, JANUARY 18 | HIP

7:30 AM	Breakfast
8:00 AM	Update in Hip Topics for 2014
8:55 AM	Break
9:25 AM	Live Surgery: Direct Anterior Total Hip Arthroplasty (THA)
11:25 AM	Adjourn
11:30 AM	Lunch
12:00 PM	Expert Panel: Hip Case Consultation
1:00 PM	Cadaveric Lab Session: Hips
3:30 PM	Break
4:00 PM	THA Bearing Surfaces and Technological Advances
4:45 PM	Primary THA Stem Options
5:25 PM	Case-based Panel Discussion (Let's Do a Primary THA)
6:25 PM	Reception

SUNDAY, JANUARY 19 | HIP

6:30 AM	Breakfast
7:15 AM	The Ugly Side of THA: Dealing with Complications
8:05 AM	Break
8:45 AM	Revision THA: Surgical Technique Video Vignettes
9:30 AM	Case-based Panel Discussion (Revision THA)
10:30 AM	Adjourn

REGISTER EARLY AND SAVE!

REGISTRATION

	By 11/16/13	After 11/16/13	Onsite
PHYSICIAN	\$745	\$845	\$945
INDUSTRY	\$645	\$745	\$845
ALLIED HEALTH PROFESSIONALS Nurse, NP, PA, PT, PharmD	\$300	\$350	\$400

GENERAL INFORMATION

TRAVEL AND HOTEL

Attendees are responsible for making their own travel arrangements, including air, ground, and hotel reservations.

A limited number of rooms have been blocked at the Vail Cascade. The group rate is guaranteed until Monday, December 16, 2013, or while supplies last. Make reservations early to ensure discounted rate.

Visit www.icjr.net/2014vail and click the "Travel" tab for details.

SERVICES FOR THE DISABLED

If you require special accommodations, email info@icjr.net or fax 760-942-1140 notification at least 30 days in advance of arrival.

LEARNING OBJECTIVES

TARGET AUDIENCE

This course is designed to meet the educational needs of orthopaedic surgeons, physician assistants, nurses, fellows, and residents.

LEARNING OBJECTIVES

- Compare and evaluate implant choices for the total knee arthroplasty (TKA) patient based on patient type, design qualities, and reported patient outcomes
- Assess and evaluate different implant fixation choices for TKA
- Discuss and compare different TKA surgical techniques
- Consider expert assessment of current TKA strategies
- Evaluate patient selection criteria for knee revision surgery
- Compare and evaluate revision surgical techniques and failure mechanisms
- Identify patients who could benefit from hip resurfacing
- Consider expert assessment of bearing surfaces and related controversies
- Compare the surgical options for the difficult total hip arthroplasty (THA)
- Assess and evaluate the perioperative issues and potential complications associated with THA
- Evaluate the painful, failed THA
- Identify different THA surgical techniques
- Identify the options for blood venous thromboembolism risk management in the orthopaedic patient
- Evaluate and compare the different options for wound closure and infection management
- Review and discuss current options for pain management and other supportive care strategies

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Marshall University Joan C. Edwards School of Medicine (MUJCESOM) and the International Congress for Joint Reconstruction (ICJR). MUJCESOM is accredited by the ACCME to provide continuing medical education for physicians.

MUJCESOM designates this educational activity for a maximum of 24.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Session registration and evaluation are required.

MUJCESOM requires instructors, planners, managers, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified real or apparent conflicts of interest are thoroughly reviewed and resolved by MUJCESOM's planning process for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis of content, and appropriateness of patient care recommendations. Disclosure information will be presented verbally or in print to participants before presentation of the agenda lectures.
