

California Society of
ANESTHESIOLOGISTS
Physicians for Vital Times

2014 Winter Anesthesia Seminar

Hawaii: January 6 *through* January 10

FEATURING

Adrian W. Gelb, MBChB

Program Chair

University of California San Francisco

Scott W. Beattie, MD, FRCPC, PhD

University of Toronto

Richard P. Dutton, MD, MBA

Anesthesia Quality Institute

Nancy L. Glass, MD, MBA

Texas Children's Hospital

Joy L. Hawkins, MD

University of Colorado

High quality lectures on topics of
relevance to anesthesia practitioners
at all levels of experience.

Fairmont Kea Lani
Wailea, Maui, Hawaii

Faculty & Lectures

SCOTT W. BEATTIE, MD, FRCP, PhD

Director of Anesthesia Research
University of Toronto

Lectures

Do any Preoperative Assessments Change Outcomes?
Major Cardiac Complications After General Surgery
Management of Patients with Intra-coronary Stents
Perioperative Drugs – What to Stop, Start, or Continue

RICHARD P. DUTTON, MD, MBA

Executive Director
Anesthesia Quality Institute

Lectures

Quality in Anesthesiology: Do We know it when We See It?
Tales From the Anesthesia Incident Reporting System
Hemostatic Resuscitation
Obstructive Sleep Apnea

NANCY L. GLASS, MD, MBA

Professor of Anesthesiology
Texas Children's Hospital

Lectures

Perioperative Management of the Obese Child
Perioperative Pain Management in Children
Recognizing the Difficult Pediatric Airway
Dealing with the Disruptive Physician in Your Group

JOY L. HAWKINS, MD

Professor of Anesthesiology
University of Colorado

Lectures

Current Controversies in Obstetric Anesthesia
Management of Obstetric Emergencies
Implications of the ASA/ACOG/AWHONN Guidelines
Non-obstetric Surgery During Pregnancy

Faculty & Lectures

ADRIAN GELB, MBChB

PROGRAM CHAIR

Professor of Clinical Anesthesia/Perioperative Care
University of California San Francisco

Lectures

Perioperative Stroke – More Common than You Thought
The Occasional Neuroanesthesiologist – Questions You Never Thought to Ask
Bringing Safety to Your Operating Room
Interventional Neuroradiology – If You Ain't Doing It yet, You will be Soon

No refunds for cancellations after December 20, 2013

Learning Objectives

This seminar will feature a case-based approach that emphasizes the application of knowledge, skills and attitudes. Audience participation and overlapping faculty expertise will facilitate the exchange of views and stimulate debate.

Upon completion of this seminar, participants will be able to:

- Effectively conduct preoperative evaluations to ensure appropriate medication management
- Describe the important principles in medication safety
- Understand new regulatory guidelines and how to effectively manage difficult behaviors
- Organize quality improvement initiatives to achieve quality outcomes
- Identify and manage anesthesia emergencies outside the operating room

Target Audience

This program is designed to educate and/or refresh the knowledge of practicing anesthesiologists, anesthesiologist assistants, nurse anesthetists, anesthesiology residents and students, and other health professionals in the practice of anesthesiology.

Statement of Need

Anesthesiology is a dynamic specialty, with significant change expected on a number of fronts over the next 20 years, including new clinical technologies and practices, regulatory changes, business process changes and more. In addition to providing a review of the latest clinical information, this program seeks to prepare the practicing anesthesiologist for emerging and anticipated changes in the practice of anesthesiology.

The California Society of Anesthesiologists is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The California Society of Anesthesiologists designates this educational activity for a maximum of 20 AMA PRA Category 1 Credits™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

Certificates for CME credits will be issued at the conclusion of the seminar, based upon attendance records. CME credits will be reported on behalf of those who provide an ABA number.

Faculty members have provided learning objectives for each lecture, which will be included in the electronic conference syllabus and can be found by visiting www.csaq.org/CMEevents. You may also call the CSA office at 650-345-3020 to have the objectives sent to you.

For more information about CE credits for nurse anesthetists, please visit www.csaq.org/CMEevents and select the appropriate meeting.

DISCOVER MAUI

The second largest island in the Hawaiian chain, Maui features long, sandy beaches, tropical rainforests, rolling green pasture lands and spectacular rocky cliffs. There are many things to do on Maui, including snorkeling, scuba, sailing, whale watching and golf. The naturalist can hike Maui's forested trails and view native plant species, watch rare birds, take a whale watching cruise, and follow the highways of ancient chiefs. If you love the glitter and good life, Maui has that, too. Maui's hotel and restaurant chefs are among the best in the country.

FAIRMONT KEA LANI

The Fairmont Kea Lani situated on 22 acres of tropical landscape in sunny Wailea, Maui. Both fine dining and casual options may be found in the resort's four restaurants. Other hotel amenities include the Spa Kea Lani, 24-hour fitness center, a kid's club, boutique shopping and a business center. The Fairmont Kea Lani is also conveniently located within minutes of Wailea's championship golf courses and tennis courts.

HOTEL RATES & AUTO RENTAL

The Fairmont Kea Lani offers special CSA rates (excluding tax).

Fairmont Room \$275

Garden View \$315

Partial Ocean View \$345

Ocean View 375

Contact the Fairmont at 800-659-4100 and make your reservation under the California Society of Anesthesiologists meeting. The cutoff date for the group rate is December 13, 2013.

Avis Car Rental offers special rates for CSA meeting attendees. To make your reservation, contact Avis at 800-525-7537 or visit www.avis.com and use AWD number D010017.

FACULTY DISCLOSURE

All faculty participating in continuing medical education activities sponsored by the California Society of Anesthesiologists are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) discussed in a continuing medical education presentation(s). Disclosure of faculty and provider relationships with commercial supporters can be found in the conference syllabus or www.csahq.org/CMEevents.

POLICIES

In order to receive a registration fee refund, a written request must be submitted prior to December 20, 2013. Please note that a \$75 charge will be retained. No refunds will be issued after December 20, 2013.

Disabled persons with special requirements should contact the CSA office 14 days prior to the meeting.
