

Clinical UPDATE

21 – 23 March 2016

Hilton Birmingham Metropole Hotel,
NEC, Birmingham, UK

Deadlines

- | | |
|---------|---|
| 11 Jan | Submission of cases |
| 01 Feb | Applications for Society membership to qualify for reduced early bird rate |
| 15 Feb | Early bird online registration and accommodation at web address below |
| 7 March | Applications for Society membership received in time to register in advance |

The Society for Endocrinology's Clinical Update training programme provides essential training for trainees and recently appointed consultants in endocrinology and diabetes. The Clinical Update Series provides excellent preparation for the Specialty Certificate Examination (SCE) in Endocrinology and Diabetes by covering all eight strands of the specialty curriculum from the Joint Royal Colleges of Physicians Training Board (JRCPTB).

CALL FOR CASES

All delegates are asked to submit an abstract of a representative, routine clinical case that will be of core interest.

www.endocrinology.org/meetings/clinicalupdate

Supported by

managed by
bioscientifica

Cases should be submitted to the Society for Endocrinology via the website

Deadline for submission of cases 11 January 2016
