Shaping the Future of Digestive Care

ABOUT CONFERENCE

We are pleased to invite you to the **3rd World Congress of Gastroenterology and Digestive Diseases (WGDD-2026)**, taking place **October 26-27, 2026**, as a hybrid event in the vibrant city of **Paris, France**, and online.

WGDD-2026 offers a premier global platform for clinicians, researchers, endoscopists, hepatologists, and industry innovators to present breakthroughs, foster interdisciplinary collaboration, and advance transformative research across the full spectrum of gastroenterology and digestive sciences.

Program highlights include:

- Keynote and invited lectures from leaders in gastroenterology, hepatology, GI oncology, and microbiome science
- Clinical and translational sessions covering IBD, functional GI disorders, liver and pancreatic diseases, and GI cancers
- Research posters and flash talks showcasing innovative studies and emerging investigators
- A comprehensive agenda featuring advances in endoscopy, imaging, microbiome research, regenerative and stem-cell-based GI therapies, and tissue engineering

We invite you to join WGDD-2026, where cutting-edge research and clinical innovation in digestive health come together in an inspiring scientific setting.
