QEII Medical Centre
Nedlands, Perth WA*

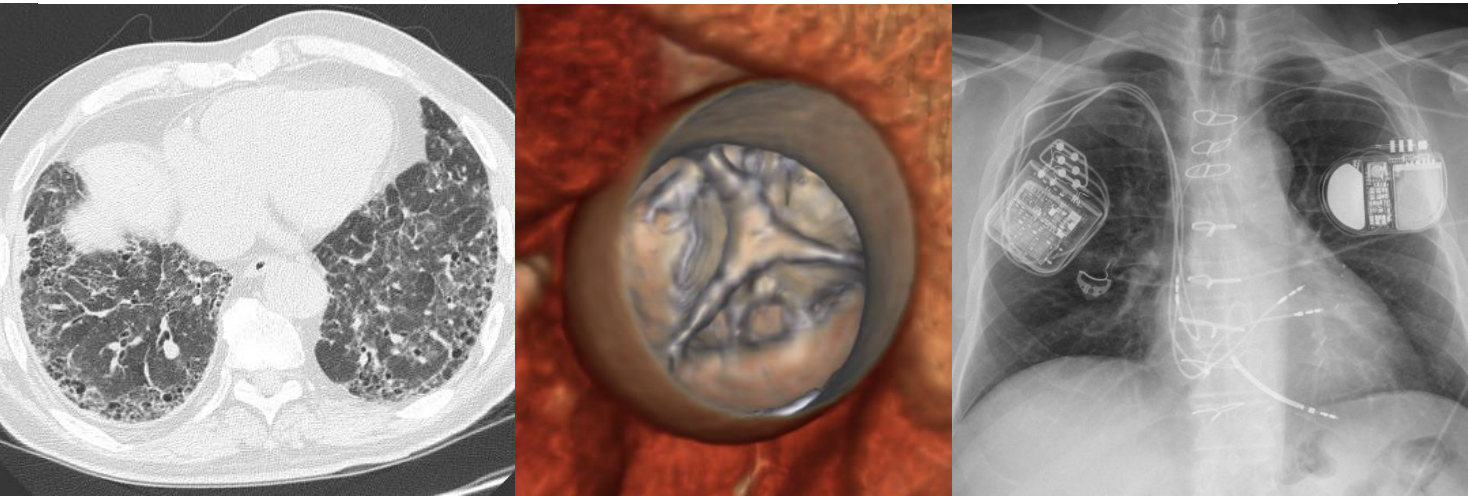

THORACIC IMAGING UPDATE

International Guest Speakers:

Prof Thomas Hartman - Immediate Past President STR
Dr Sharyn MacDonald - Acting Co-Chair ANZSTR

Registration: www.trybooking.com/XNAO

(Total 9 RANZCR CPD Points claimable)

RANZCR WA Branch Meeting

Time	Saturday 23 Feb 2019	Sunday 24 Feb 2019
0830	Welcome	Registrar Cases
0900	Fibrotic Lung Disease Prof Thomas Hartman	Asbestos Review Program A/Prof Fraser Brims
0930	Cystic Lung Disease Prof Thomas Hartman	Lung Cancer Screening Update Prof Thomas Hartman
1000	Coffee	Local Lung Cancer Screening experience (ILST) A/Prof Fraser Brims
1030	Nodular Interstitial Lung Disease Dr Sharyn MacDonald	Coffee
1100	Imaging of Airways Disease Prof Thomas Hartman	Thoracic Medical Oncology Dr Tim Clay
1130	Atypical Mycobacterium Infection Prof Thomas Hartman	Pulmonary Cyberknife Therapy Dr Suki Gill
1200	Lunch	Interesting Incidental Cardiac Cases Dr Yi Jin Kuok & Dr Mark Teh
1230		Conclusion
1300	Pulmonary Complications in Immunocompromised Prof Thomas Hartman	
1330	Cardiac CT for the Generalist Dr Sharyn MacDonald	
1400	Cardiac MR for the Generalist Dr Brendan Adler	
1430	Coffee	*Program subject to change without notice
1500	Pulmonary Embolism: V/Q and CTPA Dr Teck Siew	
1530	Aortic Aneurysm Mr Pragnesh Joshi	
1600	Peri-operative Cardiothoracic Imaging Mr Pragnesh Joshi	
1630	Cardiac Devices on Chest Xray Dr Mark Teh	

Invited Speakers

INTERNATIONAL

Prof Thomas Hartman

Radiologist in Rochester, Minnesota and is affiliated with Mayo Clinic. Immediate Past President and Nominating Committee Chair of the Society of Thoracic Radiology. Primary interests of chronic infiltrative lung diseases, lung cancer screening and atypical mycobacterial infections.

Dr Sharyn MacDonald

Consultant Radiologist at Christchurch Radiology Group and Christchurch Hospital. Intersociety and Global Outreach Committee Chair of the Society of Thoracic Radiology. Acting co-chair of the ANZSTR. Subspecialty training and interest in thoracic and cardiac imaging.

LOCAL

Dr Brendan Adler

CEO and Radiologist at Envision Medical Imaging. Completed advanced fellowships in Thoracic Radiology at Vancouver General Hospital and Cardiovascular Imaging at Pitie-Salpetriere Hospital, Paris. Research interest in interstitial lung disease.

Dr Teck Siew

Consultant Radiologist and Nuclear Medicine Physician at Sir Charles Gairdner Hospital and Perth Radiological Clinic. Adjunct Senior Clinical Lecturer at University of Notre Dame and University of Western Australia.

Mr Pragnesh Joshi

Specialist cardiothoracic surgeon with specialty interest in 'beating heart' surgery, and minimally invasive cardiac and thoracic surgery. Clinical Senior Lecturer University of Western Australia.

A/Prof Fraser Brims

Consultant Respiratory Physician at Sir Charles Gairdner Hospital, Deputy Director of the Institute for Respiratory Health, Chair of the WA Mesothelioma Registry and clinical lead for the WA Asbestos Review Program. Main research interests include occupational lung disease, mesothelioma and lung cancer screening.

Dr Tim Clay

Consultant Medical Oncologist at St John of God Subiaco, Joondalup and Midland Hospitals. Completed oncology training at University Hospital Geelong and St Vincent's Hospital Melbourne, undertaking doctorate in lung cancer pathology and clinical outcomes. Sup-specialty interest in thoracic oncology.

Dr Suki Gill

Consultant Radiation Oncologist and Director of Research at Sir Charles Gairdner Hospital State Cancer Centre. Interest in thoracic radiation oncology and Cyberknife.

Dr Yi Jin Kuok

Consultant Radiologist at Sir Charles Gairdner and Fiona Stanley Hospitals. Completed thoracic imaging fellowship at Royal Melbourne Hospital. Subspecialty interest in thoracic imaging and interventional procedures.

Dr Mark Teh

Consultant Radiologist at Sir Charles Gairdner Hospital and Perth Radiological Clinic. Completed thoracic imaging fellowships at Auckland City Hospital and Vancouver General Hospital. Subspecialty interest in thoracic and cardiac imaging.
