Designed for the interprofessional health care team

The “Annual National Conference” is designed by the health care team, for health care professionals who are interested in learning best practices for optimal patient/benefit management in the areas of: organ and blood/marrow transplantation; health and wellness; comorbid diseases; complex-medical-condition support; case management; and utilization management, such as:

- Medical Directors/Physicians/PAs
- Case Managers
- Managed Care Nurses
- Nurses/Oncology Nurses/Transplant Nurses
- Nurse Practitioners
- Pharmacists/Pharmacy Technicians
- Transplant Coordinators
- Social Workers
- Hematopoietic Transplant Coordinators
- Medical Management Staff
- Reinsurance Managers
- Utilization Review Staff
