

Memorial Sloan Kettering Cancer Center is pleased to welcome attendees back to New York City for the

16th Annual Dermoscopy Intermediate Course

October 7-8, 2022 • New York, NY

Memorial Sloan Kettering
Cancer Center

Welcome

We are excited to welcome attendees back **IN-PERSON** for the highly anticipated **Dermoscopy Intermediate Course**. Dermoscopy permits the observer to visualize skin structures located below the stratum corneum that are not visible to the unaided eye. The morphology visualized through dermoscopy has led to improve clinical diagnostic accuracy with increased sensitivity and specificity for the detection of cutaneous malignancies.

The course is intended for Dermatologists, Family Physicians, General Internists, Nurse Practitioners and Physician Assistants.

COURSE FACULTY

Ashfaq A. Marghoob, MD

Attending Physician
Director of Clinical Dermatology
Memorial Sloan Kettering Cancer Center
Hauppauge, New York

Michael A. Marchetti, MD

Assistant Attending Physician
Director, Melanoma Screening and Surveillance Program
Clinical Director, Dermatology Service
Memorial Sloan Kettering Cancer Center
New York, New York

Ralph P. Braun, MD

Consulting Staff
Department of Dermatology
University Hospital Zürich
Zürich, Switzerland

Harold S. Rabinovitz, MD

Skin & Cancer Associates
Plantation, Florida
Professor of Dermatology
Medical College of Georgia

Cristian Navarrete-Dechent, MD

Attending Physician
Melanoma and Skin Cancer Unit, Department of Dermatology
Pontificia Universidad Catolica de Chile
Santiago, Chile

mskcc.org/dermoscopycourse

We invite attendees to join us IN-PERSON at Zuckerman Research Center in New York City for this conference.

Zuckerman Research Center
417 East 68th Street
New York, NY 10065

COVID-19 Health & Safety Protocol for MSK CME IN-PERSON Events

- All in-person attendees at MSK CME events must be fully vaccinated against COVID-19 at least two (2) weeks prior to the event.
- A copy of your COVID-19 vaccination card(s) must be uploaded during registration.
- MSK Employees will need to show MSK ID Badge with COVID-19 Vaccine sticker attached to gain entry to event space in lieu of uploading vaccine card(s).
- Social Distancing guides in the conference space must be followed and will be strictly enforced.

We recognizes that the COVID-19 situation is fluid. We will continue monitoring key indicators and adjust our policies as needed to ensure the safety of our community. Your health and safety, and that of our patients and employees, is our highest priority at MSK CME activities. Please visit the conference website for more information and the most updated information: **mskcc.org/dermoscopycourse**

Day 1 • Friday, October 7, 2022

7:00 AM	Registration and Breakfast
8:00 AM	Introduction and Welcome Ashfaq A. Marghoob, MD
8:30 AM	Principles of Dermoscopy Michael A. Marchetti, MD
9:00 AM	Dermoscopy Histopathology Correlations Ralph P. Braun, MD
10:00 AM	Break
10:30 AM	PRE-TEST Ashfaq A. Marghoob, MD
11:00 AM	SK/Lentigo, DF, Angioma, CCA, Seb Hyp Michael A. Marchetti, MD
11:30 AM	Lunch Break
12:30 PM	Nevus Patterns in Context Ashfaq A. Marghoob, MD
1:00 PM	Structures Associated with Melanoma Michael A. Marchetti, MD
1:45 PM	Break
2:15 PM	AK, SCC, LPLK Harold S. Rabinovitz, MD
3:00 PM	BCC Cristian Navarrete-Dechent, MD
3:30 PM	Cases That Taught Me Lessons Harold S. Rabinovitz, MD
4:00 PM	Adjourn

**Special Military Discount and
Resident/Fellow Group Rates Available**

Please see registration for more information.

Day 2 • Saturday, October 8, 2022

7:00 AM	Breakfast
8:00 AM	Approach to Evaluating Facial Lesions Harold S. Rabinovitz, MD
8:30 AM	Approach to Evaluating Mucosal Lesions Michael A. Marchetti, MD
9:00 AM	Approach to Evaluating Volar Lesions Ralph P. Braun, MD
9:30 AM	Break
10:00 AM	Other Tumors (PG, Poroma, Merkel, JXG, Adnexal Tumors, etc.) Cristian Navarrete-Dechent, MD
10:30 AM	Approach to Evaluating Nail Unit Lesions Ralph P. Braun, MD
11:00 AM	Infection and Infestations Cristian Navarrete-Dechent, MD
11:30 AM	Lunch
12:30 PM	AI in Dermoscopy, TBP and Follow-up: Today and In the Future Michael A. Marchetti, MD
1:15 PM	Tricosecopy Cristian Navarrete-Dechent, MD
1:45 PM	Cases That Taught Me Lessons Harold S. Rabinovitz, MD
2:00 PM	Break
2:30 PM	POST-TEST: CASE BASED LEARNING Ashfaq A. Marghoob, MD
4:15 PM	Closing Remarks Ashfaq A. Marghoob, MD
4:30 PM	Adjourn

Learning Objectives

By attending this course, learners will be able to:

- Outline a logical and easy to follow framework for the dermoscopic evaluation of cutaneous lesions.
- Identify the features of both melanocytic and non-melanocytic lesions.
- Describe a management approach, based on dermoscopic findings, to correctly identify lesions requiring biopsy.

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **12.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

Memorial Sloan Kettering Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers, or others are required to disclose all relevant financial relationships with ineligible companies (commercial interests). All relevant financial relationships have been mitigated prior to the commencement of the activity.

For details and registration visit:
